THE KUNDALINI YOGA CHRISTIAN MASTER IS Frank M. Conaway, Jr., 2014-07-05 THIS BOOK IS ABOUT THE KUNDALINI YOGA SCIENCE FROM A CHRISTIAN BIBLE PERSPECTIVE

Theology and Practice in Early Christianity Troy W. Martin, 2020-08-12 Early Christianity did not originate in a vacuum but in a world of linguistic social religious and cultural richness and diversity The twenty two seminal essays in this volume some previously published some newly written represent almost three decades of research by Troy W Martin to understand how early Christianity developed in the ancient world The broad ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts but also to the social philosophical physiological and medical contexts in which these texts were written The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith hope and love that characterized early Christian communities They include new medical and physiological explanations of early Christian sacraments pneumatology and eschatology and furthermore investigate early Christian communal life and practice including the veiling of women male female relationships and time keeping The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship Those familiar with the well trodden ground of New Testament studies will find in these essays new insights and previously unexplored comparative material for understanding early Christianity and the world in which it originated

Converging Destinies Stuart Dauermann, 2017-03-14 While all have reason to celebrate the greening of Christian Jewish relations since the Shoah and the promulgation of *Nostra Aetate* 4 few

will deny that much work remains to be done by Christians and Jews seeking the best way forward that they might best serve God's purposes in the world the mission of God This book addresses that need by first surveying how each community has historically conceived of its own mission and from that stance assigned an identity to the other The text illuminates how such construals have often impeded progress and therefore need to be upgraded and supplemented But how shall this be done Converging Destinies proposes an eschatological vision and practical suggestions to summon Jews and Christians to prepare for that day when each will be both commended and reproved by the judge of all sounding a call for more determined action greater humility and cooperative effort as together Jews and Christians serve the mission of God accountable to him for how they have served him and each other in the world that he has created according to his will **Jews and Christians:**

Volume 6 Molly Whittaker, 1984-11-22 The aim of this book is to give access to sources which illustrate Graeco Roman views on Jews and Christians from 200 BC to AD 200 Passages range from longer extracts written by historians to short incidental references by disparate authors which throw light on attitudes towards beliefs and social customs The pagan religious background especially the Mystery religions is also described and illustrated by selected passages so that the reader may have some idea of the general religious climate during this period Every quotation is prefixed by a brief biography of the author and all passages have been translated into English with explanatory comment when necessary Connecting essays act as summaries and focus the attention on essential issues These together with a chronological chart and maps should enable a student coming fresh to the subject without previous specialized knowledge to see the period in historical perspective His Name Is Yeshua Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo *Genesis*

Paul's Conundrum Amy Karen Downey, 2011-01-01 Was Paul an anti Semite Was Paul a self hating Jew Was Paul misunderstood and wrongly accused This is the debate that has been raging for almost two millennia Paul's conundrum seeks to answer these questions through an analysis of his two most controversial passages 1 Thessalonians 2:13-16 and Romans 9:1-5 Amy Downey has sought to reconcile these passages through a conservative evangelical approach that not only considers the Jewish man Paul but also Paul the Apostle of Messiah Jesus Downey considers the historical setting of the two passages analyzes the exegesis of the passages in question and seeks to respond to three separate but unique theological controversies that arise out of these letters She finds defective three modern positions 1 1 Thess 2:13-16 as a post Pauline interpolation likely expressive of Paul's anti semitism 2 the modern post Holocaust theory of dual covenants according to which Gentiles are saved through Jesus and the Jews through the Law of Moses hence all national Israel will be eschatologically saved and 3 replacement theology i.e. God has rejected the Jews as His chosen people and replaced them with believing Gentiles traceable to the Epistle of Barnabas and Ignatius of Antioch and in effect bringing the spiritual genocide of the Jewish people and making Rom 9:1-5 inexplicable Hopefully by the end of this book the reader will be left with only one question Just how far was Paul willing to go to realize the salvation of the Jewish people Downey opts instead for ethnic Israel's place in the covenant and for salvation solely through the death and resurrection of the Messiah for both Jews and Gentiles thus laying the foundation for urgently needed present day Christian witness to the Jewish people

Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that

day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture s meaning is as deep as God and God is infinite **The Forgotten Jesus** Robby Gallaty,2017-04-04 We have lost an essential understanding of Jesus his Jewishness Through the years our understanding of Jesus has been shaped by different cultural influences and many Western Christians have formed an inaccurate perspective of Jesus and his teachings beliefs and ways of acting In Robby Gallaty s deeply reformatory book he reveals the essential Hebraic culture customs and nuances many Christians have forgotten or never learned And he argues that as long as Jesus s Jewish context is misplaced and misunderstood our understanding of the Bible our faith and the church falls far short The Forgotten Jesus will open your eyes to The first century world in which Jesus lived and its connection to the time of the Old Testament The vast differences between the Western and Middle Eastern mind and how our modern approach to understanding the Bible is influenced far more by the Greeks and Romans than by a Hebrew way of thinking Essential textual connections between the parts of the Bible that we often overlook Important Hebraic perspectives on the Messiah to point out some errors many Christians have believed through the years Why Jesus s words on the cross about God forsaking him may have deeper meaning than we realize By uncovering the teaching of the first and second century rabbis and Christian theologians and highlighting little known Jewish idioms and traditions Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a biblical perspective deepening your relationship with God **A Land Like Your Own** Jason M. Silverman,Amy Daughton,2010-09-01 A land like our own explores the ways the Bible has reused previous traditions and has subsequently been reused by both Jews and Christians The editors employ the symbol of the Land as indicative of both loss and hope reflective of the ways in which the past is variously figured and re configured by the authors of both Testaments *Subject Guide to Books in Print* ,1997
