 Frank R. Spellman,2017-10-11 Recognized as an authoritative treatment of an important subject area and presented in a
 conversational and straightforward style Industrial Hygiene Simplified Second Edition is an updated edition of the original
 well received textbook Industrial Hygiene Simplified is valuable and accessible for use by those involved in such disciplines
 as industrial technology manufacturing technology industrial engineering technology occupational safety management and
 supervision This book is ideal for those needing a refresh on industrial hygiene concepts and practices they may not use
 regularly as well as those practitioners preparing for the Certified Industry Hygiene CIH exam Because it is a dynamic
 discipline there is no question about the field of industrial hygiene having undergone significant change over the past four
 decades Some of the reasons for this change include technological innovations that have introduced new hazards in the
 workplace increased pressure from regulatory agencies realization by industrial executives that a safe and healthy workplace
 is typically a more productive and litigious free workplace skyrocketing health care and worker s compensation costs and
 increased pressure from environmental groups and the public These factors have created a need for an up to date and user
 friendly book in industrial hygiene that contains the latest information for those who practice this profession in the age of
 high technology and escalating on the job injuries with accompanying increased health care costs New features in the second
 edition of Industrial Hygiene Simplified include Presentation in lesson formatEnd of chapter review questions Did You Know
