The Long Haul Pioneers Ashley Coghill,2020-02-01 It all started in 1964 when two friends gave up promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to become a phenomenon in the road haulage industry an image which it still holds today

This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was just all in a day s work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and fascinating account of an extraordinary company

Cola Cowboys Franklyn Wood,2010-03-01 This vivid account tells the story of the truckers who were driving from the UK to the Middle East in the early 1980s The journey was rough tough exhausting dirty uncomfortable and dangerous Journalist Franklyn Wood reports that in the course of the one trip we are following seven Britons died in accidents Among the physical hazards were icy mountain hairpins unmade roads and desert sandstorms Human hazards included Kamikaze coach drivers robbers mind numbingly slow border controls rogue police and the temptations of the drivers favourite watering holes The route led from Europe through Turkey Iraq during its war with Iran and on to the wealth and culture shock of Saudi Arabia The cargoes were often worth a million pounds Delivering them and returning home for the next load this was the Olympics of truck driving Cola Cowboys was originally published in 1982 when it proved extremely popular It has been out of print for many years and has been reprinted by popular demand
