Under the Oak Tree: Volume 1 (The Novel) Suji Kim, 2024-11-05 NEW YORK TIMES BESTSELLER Most fairytales end with a wedding and a happily ever after but this is no fairytale The updated and official translation of Under the Oak Tree the 1 webnovel on MANTA Lady Maximilian is the daughter of the powerful Duke Croyso but she is rarely allowed outside her family s sprawling castle for fear that her stutter will tarnish their noble name When she is forced to marry Sir Riftan a lowborn knight caught in one of her father's schemes Maxi doesn't dare hope for happiness let alone love Her stumbling communication and his gruff manner sour their relationship before it can begin and Riftan leaves without a word the morning after their vows are exchanged Now three years after their disastrous wedding night Riftan has returned as a war hero To Maxi s surprise despite rumors that he was offered marriage to Princess Agnes a beautiful and renowned sorceress Riftan still wants Maxi for his wife And when he comes to claim her his longing becomes a desire that bewilders Maxi even as she is overcome by the scorching heat that Riftan's presence ignites within her As she learns to navigate the intricacies of her new life Maxi will find herself and her courage and discover that she is anything but powerless This volume collects chapters 1 76 of the original webnovel by Suji Kim The Axiomatics of Economic Design, Vol. 1 William Thomson, 2023-09-08 This textbook is Volume 1 of a two volume set on the axiomatics of economic design Its central argument is that economic institutions are not God given they are man made Their ultimate goal is to promote social welfare The book describes the axiomatic approach to design It consists in the formulation of criteria of desirability of solution mappings and of the examination of their logical implications when imposed in various combinations Its goal is to identify as precisely as possible the line that separates those combinations of desiderata that are compatible and those that are not The end product of axiomatic work are menus of choices for practitioners to choose from when they have to make a decision The first volume offers pedagogical coverage of the axiomatic approach to economic design in the form of answers to questions posed by a young person curious about it It introduces readers to what motivates economic design It continues with the mathematical representation of a class of allocation problems The bulk of the volume is to present structured inventories of the field of axioms arranged by format first and content next These chapters are followed by a user s manual on the axiomatic method Lastly the volume discusses how economic design can be aided by other disciplines in particular philosophy mathematics and computer science Syntax - Theory and Analysis. Volume 1 Tibor Kiss, Artemis Alexiadou, 2015-02-17 This Handbook represents the development of research and the current level of knowledge in the fields of syntactic theory and syntax analysis Syntax can look back to a long tradition Especially in the last 50 years however the interaction between syntactic theory and syntactic analysis has led to a rapid increase in analyses and theoretical suggestions This second edition of the Handbook on Syntax adopts a unifying perspective and therefore does not place the division of syntactic theory into several schools to the fore but the increase in knowledge resulting from the fruitful argumentations between syntactic analysis and

syntactic theory It uses selected phenomena of individual languages and their cross linguistic realizations to explain what syntactic analyses can do and at the same time to show in what respects syntactic theories differ from each other It investigates how syntax is related to neighbouring disciplines and investigate the role of the interfaces especially the relationship between syntax and phonology morphology compositional semantics pragmatics and the lexicon The phenomena chosen bring together renowned experts in syntax and represent the consensus reached as to what has to be considered as an important as well as illustrative syntactic phenomenon The phenomena discuss do not only serve to show syntactic Bulletin, 1916 analyses but also to compare theoretical approaches with each other Bulletin - Bureau of Education United States.
