locations with recipes for soups poultry meat seafood vegetables tofu noodles rice desserts and more **Making Italian America** Simone Cinotto,2014-04-01 How do immigrants and their children forge their identities in a new land and how does the ethnic culture they create thrive in the larger society Making Italian America brings together new scholarship on the cultural history of consumption immigration and ethnic marketing to explore these questions by focusing on the case of an ethnic group whose material culture and lifestyles have been central to American life Italian Americans As embodied in fashion film food popular music sports and many other representations and commodities Italian American identities have profoundly fascinated disturbed and influenced American and global culture Discussing in fresh ways topics as diverse as

immigrant women's fashion critiques of consumerism in Italian immigrant radicalism the Italian American influence in early rock n roll ethnic tourism in Little Italy and Guido subculture Making Italian America recasts Italian immigrants and their children as active consumers who since the turn of the twentieth century have creatively managed to articulate relations of race gender and class and create distinctive lifestyles out of materials the marketplace offered to them The success of these mostly working class people in making their everyday culture meaningful to them as well as in shaping an ethnic identity that appealed to a wider public of shoppers and spectators looms large in the political history of consumption Making Italian America appraises how immigrants and their children redesigned the market to suit their tastes and in the process made Italian American identities a lure for millions of consumers Fourteen essays explore Italian American history in the light of consumer culture across more than a century long intense movement of people goods money ideas and images between Italy and the United States a diasporic exchange that has transformed both nations Simone Cinotto builds an imaginative analytical framework for understanding the ways in which ethnic and racial groups have shaped their collective identities and negotiated their place in the consumers emporium and marketplace Grounded in the new scholarship in transnational U S history and the transfer of cultural patterns Making Italian America illuminates the crucial role that consumption has had in shaping the ethnic culture and diasporic identities of Italians in America It also illustrates vividly why and how those same identities incorporated in commodities commercial leisure and popular representations have become the object of desire for millions of American and global consumers

Food Culture in Italy Fabio Parasecoli, 2004-10-30 There is keen interest in the exquisite yet simple Italian cuisine and Italian culture This volume provides an intimate look at how Italians cook eat and think about food today It describes the cornucopia of foodstuffs and classic ingredients An overview of the typical daily routine of meals and snacks gives a good feel for the everyday life The changing roles of women are explored with a discussion of the inroads that convenience foods are making In addition the current concerns about the food supply the benefits of the Mediterranean diet and the slow food movement are tied in to the debates on these issues in the United States Food is one of the main reasons why many Americans travel to Italy Yet the fascination with Italian cuisine is not all about health or taste There is much more to it Italian food is perceived and portrayed in the media as representing a whole lifestyle Italians live la dolce vita leisurely eating and drinking with friends and families families are still important and communities are close knit The reality of Italian society is more complex and this volume offers a balanced view of Italian culture and identity through its foodways
