

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them. (ROMANS 8:28 NLT)

For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. (2 CORINTHIANS 4:17 NIV)

No temptation has seized you except what is common to man. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can stand up under it. (1 CORINTHIANS 10:13 NIV)

Think about it: There are times when the difficulties in our lives are from God's hand to encourage us along a better path and to foster strength of character and a greater trust in how God works in our lives.

Healing the Masculine Soul Gordon Dalbey, 2003-09-09

In his groundbreaking book fifteen years ago, Gordon Dalbey identified the fact that men's souls have been torn between strength and sensitivity. Today the situation is even worse. The politically correct crowd cries out for men to be more sensitive, to tame their masculine nature. On the opposing side, the media bombards men with macho images of violence and lust. Is it any wonder men are left bewildered about who they should be? In this newly revised and updated edition of *Healing the Masculine Soul*, Dalbey claims that there's hope for restoration, hope for healing, because Christ has come to heal us. God is calling men out to a relationship with Himself and calling them out to authentic manhood. Our task is not to curse our manhood but to redeem it, he writes. Gordon Dalbey's refreshing, comprehensive picture of God's design for the masculine soul dares men to be as God created them, to be not as society demands. Dalbey tackles the tough issues, including work, sexuality, marriage, and fatherhood. Book includes Study Guide.

Adopting the Track of Appearance: An Mental Symphony within **Facing The Lion Study Guide**

In some sort of used by screens and the ceaseless chatter of immediate connection, the melodic splendor and emotional symphony developed by the written word frequently disappear in to the background, eclipsed by the persistent noise and interruptions that permeate our lives.
