Faithless K.B. Nelson,2015-09-10 She s a stripper He s a preacher Her name s Faith and he s been faithless since the day she went away Faith Richards knows she ll never be able to outrun her demons but she s not looking for absolution She s looking for release When she s forced to return home by circumstances she d rather not discuss she runs straight to Noah The only boy that could ever make her feel alive The only boy who ever truly broke her heart The only boy who could possibly save her from herself But Noah isn t a boy anymore Noah Parker is a man torn fighting to understand his place in this world after his latest run in with tragedy Everyone he s ever loved has left him either on a greyhound bus or in a casket He no longer believes the words he preaches and his life hangs in the balance of honesty Reuniting with Faith might be the only thing that can save him but based on their tumultuous history it s more than likely it ll destroy him Faithless is the story of two broken people searching for the impossible a love strong enough to put the pieces of their broken hearts back together Their romance is forbidden Their love is undeniable Their lives hang in the balance And when their world begins to burn to the ground they ll be faced with one impossible decision can they live with who they ve become For mature readers
