a brutal double parricide a suicide and a fourth death under suspicious circumstances Drifting Into Darkness is a tangled tale

of family dysfunction fatal attraction and greed a saga that wends its way from the elegant Southern mansions of

Montgomery Alabama to the New Age salons of Boulder Colorado to rural windswept Wyoming On Thanksgiving weekend in

2004 philanthropists Charlotte and Brent Springford Sr a wealthy socially prominent Montgomery couple were brutally

beaten to death with an ax handle echoing the infamous case of Lizzie Borden Suspicion quickly fell on the Springfords gifted

1986 ,1987 *Black Political History* Ken Raymond,2021-01-13 As I researched the African American journey for civil rights

throughout history I discovered many great sources of information Some of the best places include the Copley Square Library

in Boston and the library in the Massachusetts State House on Beacon Street The libraries within the North Carolina

Legislative Building and Wake Forest University have also been great sources of information But I have to say beyond a shadow of a doubt that the best source of information is the Frederick Douglass Papers in the Library of Congress When I discovered the Frederick Douglass Papers on the Library of Congress website I believe I felt like the early 19th century miners who after investing all their strength energy and youth digging into the earth and into mountains finally struck gold It has been years since I first discovered the Frederick Douglass Papers But to this day I am still amazed when I visit the website and read the hundreds of digitally preserved handwritten letters and documents authored by the hand of Frederick Douglass himself These letters reveal the unedited unfiltered thoughts and beliefs of one of greatest civil rights heroes in history Addressed to friends colleagues and supporters in them Douglass opens his heart not only about the issues of his day but about other historical figures such as Abraham Lincoln Ulysses S Grant Benjamin Harrison members of Congress and many others It was among this treasure trove of history where I found a letter written by Douglass in which he offers advice to a friend expressing concern about the future of black Americans In his comments Douglass describes what he believed to be the best place for African Americans as the arch of safety The arch of safety the place of shelter and protection from storms is described in this book In that same letter Douglass issued a prophetic warning to all black Americans that graphically describes the condition of blacks in urban areas throughout America today Douglass describes this condition as the the mouth of the lion Douglass s definition of the mouth of the lion is also found in this book The day I discovered the Frederick Douglass Papers was a very happy day for me But as I read his letters I also became a little angry because many of his thoughts and beliefs are not taught in educational institutions If they were the public would know that Frederick Douglass was not only a civil rights hero he was something of a prophet
