

GEORGE MARSHALL

A BIOGRAPHY

DEBI AND IRWIN UNGER
WITH STANLEY HIRSHSON

George Marshall A Biography

**Debi Unger, Irwin Unger, Stanley
Hirshson**

George Marshall A Biography:

George Marshall Debi Unger, Irwin Unger, Stanley Hirshson, 2014-10-21 A full scale biography of this great soldier statesman that is both comprehensively researched and highly readable Publishers Weekly Here is the first biography to offer a complete picture of the life of George C Marshall chief of staff of the U S Army from 1939 to 1945 and the military leader who actually ran World War II for America as he oversaw all personnel and logistics Following Marshall from his childhood in western Pennsylvania and his training at the Virginia Military Institute to his role during and after World War II and his death in 1959 at the age of seventy eight this biography casts light on the inspiration he took from historical role models such as George Washington and Robert E Lee and his relationships with military brass the Washington political establishment and world leaders from Harry Truman to Chiang Kai shek It also explores Marshall s triumphs and defeats during World War II and his contributions through two critical years of the emerging Cold War including the transformative Marshall Plan which saved Western Europe from Soviet domination and his failed attempt to unite China s Nationalists and Communists Based on exhaustive research and filled with rich detail George Marshall is sure to be hailed as the definitive work on one of the most influential figures in American history Elegant and iconoclastic refreshing persuasive New York Times Book Review A grand but judicious biography of a fascinating man Evan Thomas author of Ike s Bluff *The Marshall Story, A Biography of General George C. Marshall* Robert Payne, 2016-10-05 This is the story of the life and mind of George C Marshall soldier and statesman as told by a distinguished writer whose own background makes him particularly qualified to discuss some of the more controversial aspects of General Marshall s work since World War II Robert Payne carefully places George Marshall against the Virginia background from which he came and takes him from there through his education at V M I his experiences as a young officer the first indications of his genius in World War I his work between the wars his colossal achievement as one of the architects of victory in World War II his ill fated mission in China his contribution to the Marshall Plan and his work in the military effort Showing in quite an extraordinary way how Marshall represents the strengths and weaknesses of the American tradition this book s study of the life of a great contemporary American illuminates the American scene with an insight rarely equaled in a biographical work The Marshall Story is neither a white wash of General Marshall nor an attack on him His errors of judgment are studied at some length partly because the same pattern of behavior is visible in each of these errors but chiefly because the consequences of error were disastrous But against these errors are set his triumphs the first a personal one the others impersonal and prodigiously important because they affected the conduct of the war and the conduct of the peace his generalship and the Marshall Plan In this book Robert Payne s subject is a man who has been described by President Harry S Truman as the greatest living American And Payne s treatment of the subject makes The Marshall Story a study of a man who knew exactly where he was going went there made mistakes and seemed perhaps not to belong to our own time This book will shatter some illusions about George C Marshall

but it will also place him in the perspective of his time and demonstrate that he may be even greater than many of us have thought him to be **George C. Marshall: Soldier-Statesman of the American Century** Mark A. Stoler, 2021-06-25 In a career that paralleled the emergence of the United States as an international power Marshall was a participant in every significant event contributing to the nation's status as a superpower From his first combat duty in the Philippines at the turn of the century through both World Wars into the cold war and the Korean conflict Marshall was a key figure in devising and implementing US military strategies and foreign policies Stoler emphasizes the years 1939-1951 when Marshall served as World War II army chief of staff special presidential representative to China secretary of state at the beginning of the cold war and Korean War secretary of defense The book is unique in its merging of military and diplomatic history with biography It includes a chronology and a bibliographic essay Drawing on more detailed works supplemented by his sound judgments based on his own careful research Stoler has successfully caught the spirit of the man and his work Forrest C Pogue official biographer of Marshall former director of the George C Marshall Foundation Useful fascinating and very informative Stoler illuminates many historical debates and events David Eisenhower author of Eisenhower at War 1943-1945 A very readable book based on the most recent scholarship and presented in a way that students can understand Michael J Hogan Ohio State University In a skillful work of compression and synthesis Mark A Stoler sets himself an ambitious dual task to render comprehensible the life of an individual almost no one knew well and to ground this life firmly in the context of the revolution in American foreign relations during the first half of the twentieth century The enterprise succeeds admirably partly because Marshall's career lends itself to such treatment and partly because Stoler demonstrates a flair for selecting the essential from the immaterial H W Brands *The American Historical Review* This is the best available one volume biography of this distinguished man Stoler demonstrates Marshall's intellectual growth as he came to understand international politics and the limits of power Daniel R Beaver *The Historian* A richly researched and balanced assessment Stoler's insights into Marshall are many and valuable He perfectly captures his sterling integrity and the extent of his exemplary nonpartisanship this is the best single volume about a true hero Barry F Machado *The Journal of Military History* A n excellent book There have been short one volume biographies of Marshall before but this is the best of the lot Among the strengths of Stoler's treatment are his careful exposition of the factors in Marshall's youth crucial to the formation of his character the importance of his various experiences with the National Guard the Plattsburg volunteers and the Civilian Conservation Corps in conditioning his faith in citizen soldiers and the formative role of his professional education at the Command and General Staff School at Fort Leavenworth and the Infantry School at Fort Benning I B Holley Jr *The Journal of American History* Stoler is able to present the issues faced by the new chief of staff lucidly and with great insight In sum Professor Stoler with style and verve has produced an excellent summary volume on George C Marshall and his times the book is insightful readable provocative and manageable I highly recommend it Douglas Kinnard *Naval War College Review* T he book breaks through the general s

deliberately cultivated stoic persona and demonstrates the humanity that made him so admired in public and private Stoler's work stands as a model of its genre a concise study that incorporates themes from the large body of current scholarship in the field without ever losing sight of its central character Stoler captures the complexity of the man and his times in a book that is a pleasure to read Donald A Ritchie *The Oral History Review* This is a useful volume for those who lack the time to read all four volumes of Forrest Pogue's biography Gaddis Smith *Foreign Affairs* **The Marshall Story** Robert Payne, 2011-10-01 *George Marshall* David L. Roll, 2019-07-09 The extraordinary career of George Catlett Marshall America's most distinguished soldier statesman since George Washington whose selfless leadership and moral character influenced the course of two world wars and helped define the American century I've read several biographies of Marshall but I think David Roll's may be the best of the bunch Thomas E Ricks *New York Times Book Review* Powerful *The Wall Street Journal* Enthralling Andrew Roberts Important William I Hitchcock Majestic Susan Page Engrossing Andrew J Bacevich Judicious Walter Isaacson Definitive Kirkus Winston Churchill called him World War II's organizer of victory Harry Truman said he was the greatest military man that this country ever produced Today in our era of failed leadership few lives are more worthy of renewed examination than Marshall and his fifty years of loyal service to the defense of his nation and its values Even as a young officer he was heralded as a genius a reputation that grew when in WWI he planned and executed a nighttime movement of more than a half million troops from one battlefield to another that led to the armistice Between the wars he helped modernize combat training and re-staffed the U S Army's officer corps with the men who would lead in the next decades But as WWII loomed it was the role of army chief of staff in which Marshall's intellect and backbone were put to the test when his blind commitment to duty would run up against the realities of Washington politics Long seen as a stoic almost statuesque figure he emerges in these pages as a man both remarkable and deeply human thanks to newly discovered sources Set against the backdrop of five major conflicts two world wars Palestine Korea and the Cold War Marshall's education in military diplomatic and political power replete with their nuances and ambiguities runs parallel with America's emergence as a global superpower The result is a defining account of one of our most consequential leaders [The Marshall Story: a Biography of General George C. Marshall](#) Robert 1911-1983 Payne, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **General of the Army** Ed Cray, 2000 A

captivating and fanatically thorough reevaluation of Marshall's life and times *George C. Marshall* Alan Saunders, 1996-04-01 Harry Truman called him "the greatest living American" Winston Churchill referred to him as "the organizer of victory" in WW2 Franklin Roosevelt said he was the most indispensable army officer in that conflict This biography of George Marshall tells the inspiring story of a man who devoted his entire life to the service of his country Marshall was the chief coordinator of both training and strategy for the military throughout WW2 This thoughtful and vivid account of the general's life probes Marshall's significance in American history and chronicles his vast achievements not only as a soldier but as the main architect of the plan to rebuild Europe and establish a peaceful post war world Photos **A General's Last Call** Wayne C Thompson, 2020-08-20 The opportunity to retire evaded George Marshall In September 1950 General Marshall as he was called by everyone left his office at the American Red Cross and was driven across the Potomac River to the Pentagon to be sworn into his new post as Secretary of Defense If you did not know that the General of the Army George Marshall's last official office was Secretary of Defense you would not be alone For most people his story ends with the Marshall Plan and there has not been a biography dedicated to George Marshall in his final official role until now

George C. Marshall George Catlett Marshall, Forrest C. Pogue, 1991

George Marshall A Biography Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading George Marshall A Biography free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading George Marshall A Biography free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading George Marshall A Biography free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be

cautious and verify the authenticity of the source before downloading George Marshall A Biography. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading George Marshall A Biography any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About George Marshall A Biography Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. George Marshall A Biography is one of the best book in our library for free trial. We provide copy of George Marshall A Biography in digital format, so the resources that you find are reliable. There are also many Ebooks of related with George Marshall A Biography. Where to download George Marshall A Biography online for free? Are you looking for George Marshall A Biography PDF? This is definitely going to save you time and cash in something you should think about.
