Girls Night Out:

365 Days of Luvin Me Sharon M. Franks, 2014-10-17 As we maneuver through life's and all of its challenges and lessons we forget to remember the one most important gift God has given us and that gift is the power of love. In order to love others we must first love ourselves. This book will help you learn to promote self-love in your life by doing at least one thing every day. Sisters, we are on this journey together to learn who we are, build our confidence, and help support and uplift one another by loving ourselves so that we can love others. Your sister in love Sharon M. Franks [Negotiating Femininities in the Neoliberal Night-Time Economy](#) Emily Nicholls, 2018-07-24 This book explores the ways in which young women negotiate gendered and classed identities in nightlife venues. With a particular focus on the under-researched phenomenon of the girls' night out, this text explores tensions around what it means to be girly in bars, pubs, and clubs, examining throughout the ways in which being a girly girl is simultaneously desired and derided in a postfeminist context. Drawing on research conducted in Newcastle upon Tyne, UK, this original and comprehensive book explores the value and meaning of the girls' night out for young women and its instrumental role in the negotiation of friendships and femininities. Nicholls covers a range of themes including alcohol consumption, dress, and risk management, providing engaging and timely insights into women's leisure as a site for the negotiation of gendered identities. *Negotiating Femininities in the Neoliberal Night Time Economy* will be of interest to students and scholars across the social sciences with an interest in gender, class, and the Night Time Economy.
