

“The Giver” Study Guide

Zachary Chan - Red Class

Part 1: Comprehension

- 1.) The difference between *apprehensive* and *frightened* as used in Chapter One is that when Jonas says *apprehensive* he means that he feels anxious and nervous about something, while when he says *frightened* Jonas means a deep feeling of freaked-out fear that comes from something unexpected and terrifying. (Lowry 1 and 5)
- 2.) The rules of this community shapes the characters in the story, by forcing onto them a lack of creativity and uniqueness and coercing them to comply to the laws of conformity and simplicity. One example of this is the “rule of perfection.” Each “newchild” must meet certain standards set by the Elders or they will be released. Another example of this is the “rule of formal speaking.” Everyone must speak correctly and formally or they will receive a whipping from the discipline wand. (Lowry 7, 54, and 55)
- 3.) Jonas is different, in that he has different colored eyes as almost everybody else. Also, he believes that he is the only one that sees changes in an apple that he and Asher are throwing around. Jonas feels ashamed and depressed about his differences, and refuses to mention them to others.
