

Responding

Frankenstein Chapters 11–16

Analyzing Literature (*continued*)

Evaluate and Connect

4. Thus far, do you find the creature more or less sympathetic than the character of Victor Frankenstein? Explain.

5. How believable is the account of the creature's education? Refer to the novel and your own experience in your answer.

Literature and Writing

Friend or Fiend?

Analyze the creature's personality. In your written analysis, discuss the different aspects of his character by addressing questions such as these:

- In what ways is he like any human being? In what ways is he different?
- What does he want most in life? Why does his goal seem unattainable?
- How have the creature's experiences shaped his opinion of himself? Does he have the potential for good as well as evil? To whom does he compare himself and why?

Support your analysis by citing events from the story as well as quoting statements made by the creature.

Extending Your Response

Literature Groups

Now that you have heard the creature's story, do you think he is justified in declaring an "ever-lasting war" against the human species and his creator? Debate this question in your group. As you do, consider the following questions:

- What have the creature's interactions with humans been like? What acts of revenge does the creature take? Are these acts justified? Is revenge ever justified? Before answering, consider the quickwrite you did for the **Focus Activity** on page 20.
- How has the creature grown intellectually and emotionally since his "birth"? How does he justify his actions?
- Does the creature bear responsibility for the suffering he causes, or is Frankenstein ultimately responsible?

Learning for Life

Many companies and organizations have policies to help them evaluate job candidates. These policies help to ensure that hiring decisions are made on the basis of relevant facts, not on prejudices and preconceptions. Imagine you are an employer. Everyday you see job applicants who vary widely in their appearance. Come up with a list of guidelines for job interviewers that will ensure that diverse candidates are evaluated fairly.

Save your work for your portfolio.
