Global Marketing Ilan Alon, Eugene Jaffe, Christiane Prange, Donata Vianelli, 2020-08-19 Global Marketing 3rd edition provides students with a truly international treatment of the key principles that every marketing manager should grasp International markets present different challenges that require a marketer to think strategically and apply tools and techniques creatively in order to respond decisively within a fiercely competitive environment Alon et al provide students

with everything they need to rise to the challenge Coverage of small and medium enterprises as well as multinational corporations where much of the growth in international trade and global marketing has occurred A shift toward greater consideration of services marketing as more companies move away from manufacturing A shift from developed markets to emerging markets with more dynamic environments A focus on emerging markets to equip students with the skills necessary to take advantage of the opportunities that these rapidly growing regions present Chapters on social media innovation and technology teaching students how to incorporate these new tools into their marketing strategy New material on sustainability ethics and corporate social responsibility key values for any modern business Short and long cases and examples throughout the text show students how these principles and techniques are applied in the real world Covering key topics not found in competing books Global Marketing will equip today's students with the knowledge and confidence they need to become leading marketing managers A companion website features an instructor's manual with test questions as well as additional exercises and examples for in class use

Marketing Management in Asia. Stanley Paliwoda, Tim Andrews, Junsong Chen, 2013-01-04 Asia is no longer simply the continent to which the world turns for outsourcing and off shoring of production leaving retailing to Western countries Asia now contains many of the world's largest markets plus many emergent markets as well North America is fast ceding ground to China as the world's largest economic power Europe has been able to make productivity gains from trade fiscal and monetary harmonization to remain globally competitive while Africa whose nations practice free trade is largely ignored both in terms of forgiving debt and providing further credit Each chapter of this volume details the characteristics of an individual market in Asia and demonstrates the challenges that marketers are likely to face in these environments Covering not just production or consumption but trade as it is practiced now this book outlines the new norms conventions and service performance levels that these markets demand
