editors Laurie R King and Leslie S Klinger with stories of Sherlock Holmes Dr Watson and friends in a variety of eras and forms King and Klinger have a simple formula ask some of the world s greatest writers regardless of genre to be inspired by the stories of Arthur Conan Doyle The results are surprising and joyous Some tales are pastiches featuring the recognizable figures of Holmes and Watson others step away in time or place to describe characters and stories influenced by the Holmes world Some of the authors spin whimsical tales of fancy others tell hard core thrillers or puzzling mysteries One beloved author writes a song two others craft a melancholy graphic tale of insectoid analysis This is not a volume for readers who crave a steady diet of stories about Holmes and Watson on Baker Street Rather it is for the generations of readers who were themselves inspired by the classic tales and who are prepared to let their imaginations roam freely *The Devil Himself* Peter Farris,2022-05-03 For Fans of Brian Panowich and Ron Rash Southern Noir at its finest *The Devil Himself* sizzles with page burning suspense and bewitching characters Deep in the forest of South Georgia barely eighteen year old Maya narrowly escapes a savage end The victim of a vast human trafficking operation managed out of Mexico Maya had the misfortune to discover the dark plans of a high ranking client Her fate seemed sealed until Leonard Moye a lonely eccentric who tolerates no one on his land takes the young woman under his protection Both having lived lives that have left deep scars each consumed by anger they soon develop a bond that makes them as a pair a formidable foe even for hardened criminals and professional scumbags Maya knows too much and the old man lives on land in the crosshairs of narco machinations As the heavies seek to finish the job they find they may be no match for the resourcefulness of a disturbed old man and a cunning young woman Written with a skilled combination of breakneck pace and mind searing detail Farris has created a wicked and compassionate novel of redemption First published in France with enormous critical acclaim and winning multiple literary awards *The Devil Himself* will mark Peter Farris as a major crime writer in America as well *The Glock Exotic Weapons System* Anonymous,2001-07-01 Shooters prize the semiautomatic Glock for its reliability and ease of use But what many may not know is that with a few scraps of metal and some simple hand tools the amateur tinkerer can convert any Glock to full automatic The conversion design detailed in this book allows properly licensed individuals to transform a regular semiauto pistol into one that delivers selective fire operation without altering the major components of the gun such as the receiver frame or slide Step by step instructions professionally prepared technical illustrations of weapon functions in semi and full auto combined with high quality photos showing the modified factory components and their proper relationships with the full auto conversion parts allow the reader to clearly see and understand how the whole system works Warning Actual construction of the weapon described in this book may be illegal under federal state and local laws All BATF rules apply and the BATF actively pursues and prosecutes anyone who violates federal gun statutes Therefore this book is for academic study only ***Soldier of Fortune*** ,2003 ***Gun digest*** Ken Warner,1975 ***Shooting Incident Reconstruction*** Michael G.
