compact repository of information ranging from the evolution of the nursing profession to the latest professional context. It is the first of its genre accelerating the learning journey of fourth semester students of the BSc Nursing curriculum. It encompasses the topics of the new subject titled Professionalism, Professional Values and Ethics including Bioethics. This custom designed book complies with the new syllabus prescribed by the Indian Nursing Council in 2021. The book is intended to develop cognizance about professional behaviour, values and work ethics among nursing students and professionals. Further, it will aid in identifying ethical issues encountered in the practice and ensuring ethical decision for common and specific dilemmas. The highlight of the book is the section detailing patients' rights that will help readers take informed decisions and safeguard themselves under all circumstances. It details the governance of the profession providing a framework for proper conduct and practice. This book will undoubtedly nurture nursing students as competent clinical nurses helping them put their knowledge into practice, demonstrate a higher level of professionalism and back them with strong ethical principles. It has a wide ranging reader coverage i.e. the content of the book fulfils not only the learning needs of the undergraduate nursing students but also is relevant for post basic and postgraduate nursing students. It will also help academicians and nursing professionals working in clinical areas. The book is targeted for readers and the user base in India as well as in South Asian countries. It is particularly helpful for the scenario based writing station of the Objective Structured Clinical Examination (OSCE) pertaining to professional values, behaviour and ethics. It will also cater to students enrolled in the Allied Health Sciences curriculum. Salient Features: Provides simple and comprehensive content with learner centric approach. Contains research grounded and updated information. Discusses COVID 19 pandemic and various case scenarios. Discusses ethical dilemmas in nursing practice in context of specific settings and specialties. Precisely covers topics as per revised syllabus from the Indian Nursing Council. Provides crisp diagrammatic presentation and tabulation of content for easy comprehension. Provides quick help to examinees and examiners on probable questions. Chapters start with learning objectives which include important aspects summarized in boxes with bullet points for ease in grasping of concepts.

Nursing Ethics: Concepts, Trends and Issues Nisha Clement, 2013. Nursing Ethics presents detailed explanations of the roles and responsibilities of nurses and the code of ethics they must follow at each level of the nursing pyramid. The comprehensive coverage includes a scrupulous study of the scope of ethics in specialized areas such as paediatric nursing, community health nursing and obstetrics and gynaecology. This book is an invaluable guide for the entire nursing community: students, teachers, researchers, practising nurses and managing nurses. **Nursing Process** Sirra, 2009-11-19. *Google Business Profile Training Guide* Laura Maya, 2023-04-24. Google Business Profile is a powerful tool that can transform how you drive customers to your local brick and mortar business and further develop trust with new and existing customers. Although Google Business Profile has been around for a long time, it has grown in its importance as more users use search engines to find information about a local business, even more so during the COVID 19 pandemic. The fact that the word

searching is now interchangeable with the word Googling Google is the leading search engine with around 5.4 billion daily searches and a 92% market share That means it s extremely likely that the target market is on Google possibly looking for the company s products and services In fact nearly half of all Google searches 46% include local intent with phrases such as near me or a city or neighborhood after the search term The statistics surrounding Google Business Profiles are impressive Over 90% of people read Google Business Profile reviews before contacting a local business and over half of profiles receive over 1 000 views per month Nearly half of businesses receive appointment requests through their Google Business Profile and the profile can be attributed to 91% of weekday calls to local businesses With 87% of users performing daily Google searches for local businesses it s clear that having a Google Business Profile is crucial Reviews are important too as 65% of users will leave a review if they have a positive experience Near Me Google Maps searches have increased 900% in the past 24 months and Google Business Profile views and metrics contribute to 75% of a local business s monthly exposure online Introducing the ultimate solution for skyrocketing your business success Google Business Profile Training Guide This Training Guide covers a range of topics including creating a powerful Google Business Profile managing and improving engagement with the profile using Google Maps to promote the profile and increasing brand awareness The guide explains why GBP has become a popular marketing tool including its ability to provide credibility and legitimacy help potential customers find a business and drive traffic to a website The guide also offers essential information on optimizing and integrating a Google Business Profile for SEO purposes
