Words on The Page

John B. Carter, 2025-05-07 As a veteran of twenty five years author John B Carter would never have thought there would be a need to just sit down and write But as he lay in bed at night the words tumbled out As the words formed thoughts the thoughts became ramblings like the sound of busy railroad tracks through his mind First one thought and then another He realized the only way he was going to sleep was to record those words on paper In Words on the Page he offers a compilation of these ramblings giving his dreams his experiences and his memories a home The selections speak to his faith his life and those he loves From Advent to Easter and from summer to autumn Carter records the midnight thoughts Through this process he discovered writing paved his road to a new normal to journey down paths of healing Carter encourages others to write not just from the standpoint of faith but from trauma from fears and from life's experiences
