Lessons for Living Natasha R. Williams B.S. M.B.A,Niares A. Hunn D.D. PhD.,Paul H. Evans B.S Pastor,2015-11-20 Lessons for Living is a curriculum designed to help Christian leaders shepherd mentor and disciple others in the various aspects of holiness as prescribed in Gods Word This study offers weekly reminders about the doctrine of holiness and real life application and scenarios that Christians face each day as they strive to walk in holiness Lessons for Living encourages readers to spend time in the Word of God and can be used individually or within study groups discipleship groups Sunday School classes weekly Bible Studies or life enrichment groups Our desire is that these lessons each outlined with a Key Verse Discussion Questions and a Final Thought to Remember encourage each reader to dig deeper into the Word of God and understand how and why God desires for His people to live in holiness *The Way of a Disciple Bible Study Guide: Walking with Jesus* Don Cousins,Judson Poling,2016-10-11 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington Illinois Since its release in 1992 it has been used by churches and small groups to help raise up devoted disciples of Christ Group members who work through the program will lay a solid foundation for a lifelong walk with God While small groups may be formed for a variety of purposes the goal of this curriculum is for groups to produce disciples fully devoted followers of Christ by studying God s Word in community To this end the goal of the study is to produce disciples who walk with God have a personal relationship with Jesus and live in step with the Holy Spirit It is also to produce believers who live the Word in all areas of life and contribute to the work that God is

doing in the local church Ultimately the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others This material will help develop these attributes in group members Each lesson includes group Bible study and discussion questions in addition to devotions reflections and personal study for use by individuals between the group sessions *School of Biblical Evangelism* Kirk Cameron,Ray Comfort,2004 **Trajectories** Bryan C. Babcock,James Spencer,2018-03-02 Trajectories meets an urgent need in both undergraduate and graduate study of the Old Testament Too often Old Testament theology focuses on the end product and leaves the process obscured Each chapter of Trajectories provides a clear path connecting biblical research to theological conclusions The final chapter offers a step by step method for completing a thorough hermeneutical analysis framed within a discussion of the gospel message Trajectories also seeks to situate Old Testament theology in relation to global and generational trends influencing the church and evangelical theology The implications of globalization and the rise of millennials on Old Testament theology are critical and thought provoking topics for discussion Chapters in Trajectories are organized thematically so the textbook can serve as a companion study guide to courses in the Old Testament and New Testament In addition the exploration of topics allows each study to link to the New Testament Each chapter concludes with tangible applications for the contemporary Christian church and with questions for group discussion and reflection The Last Eve Roland Greene,2023-01-05 I chose The Last Eve as the title of this book because early in the Bible study we learn that sin first came into a perfect world by the first Eve She was created to be a helper for the first man Adam who was first created put in a perfect garden and given instructions to dress and keep it Also he was given for food all that grew in the garden except the fruit of one tree the tree of knowledge of good and evil Eve who was created after Adam and from a part of Adam was told by Adam of the instructions given to him by the Creator otherwise she could not have known that fruit from that tree was forbidden Her desire to elevate herself above that which the Creator had given her is precisely the desire of women today and the reason a once great country the United States of America along with the rest of the world has now become so divided As the apostle said we can be nothing and have nothing except it be given to use by the One who created us Passage of the Nineteenth Amendment to the US Constitution giving women the right to vote gave her the opportunity she desired to again take that which is forbidden to her to have authority over men 1 Timothy 2 12 The Congress of the United States is now nearly half women who can be accurately described as the last Eve because like the first Eve they have taken which is forbidden to them They take part in making laws which have authority over men as well as women At the judgment those men who allow it will hear as the first Adam did because you have hearkened to the voice of your wife
