Why Does Your Name Matter? William H Thompson, 2023-07-05 Why Does Your Name Matter Your name matters both to you and to those who chose it And it feels good when others show you that your name matters to them too It's a bridge between you using each other's names builds a connection and helps you relate to each other Exploring the why behind your name is profound The person who gave you your name intended to convey something essential about who you are But most of

us rarely think about their intention and how that relates to our lives Why Does Your Name Matter encourages you to open windows of insight into the world of names revealing aspects of names and naming you hadn't considered before Discovering the intentions behind your name and those of others provides a powerful tool for connection and reconciliation This is a journey into names and naming from your heritage and the legacy of family names to the ways in which names work in different cultures to the responsibility of choosing names for the next generation This book will revolutionise the way you see yourself and others

Your Purpose/God's Plan Rick Knox, 2012-06-12 Jeremiah 29 11 I know the plans I have for you says the Lord God has a plan that is designed specifically for you It is as unique as your fingerprint and as personal as your DNA Who am I and why am I here This is one of the most sought after questions by man Your identity is a key to your destiny but you have an enemy who has you living in an identity crisis You will come to know who you are in Christ Jesus so you will not feel like a restless wanderer in life A man without a plan and purpose is like a marble in a funnel You will go around and around until you are worn out and begin to sink into a hole of despair Numbers 33 1-2 Here are the stages in the journey of the Israelites when they came out of Egypt At the Lord's command Moses recorded the stages in their journey Your purpose God's plan will take you through the journey that God has for each and every one of you Just as Moses and the Israelites went through stages in their journey you too will have to go from bondage Egypt into the desert where you will be trained for greatness Each place God took the Israelites will be the same journey each and every one of you will go through to be able to cross the river of transition and into the promises that God has for you This book will help you uncover your gifts and show you how to use them for the mission and ministry God has for you to move in You will be able to set up the Acts 6 New Testament church and you will know what rewards await for you when you enter the kingdom of heaven

Who God Says You Are Klyne R. Snodgrass, 2018-01-08 WHO ARE YOU For respected New Testament scholar Klyne Snodgrass this is the most important question a person can ask the question from which everything else in life flows Other questions follow What made you who you are Who gets to say who you are And perhaps most vital Who does God say you are In this book Snodgrass offers wise guidance to all who are wrestling with such universal human questions He examines nine factors including one's body personal history commitments and boundaries that shape human identity and he expertly draws out what the Bible tells us about who God says we are how we fit within God's purposes and how our God-given identity can and must impact the way we live our lives
