God Chooses People Like You Beverly Lipford Carroll, 2015-09-01 The heroes of the Bible weren't any more gifted or powerful than you are They were flawed ordinary people living ordinary lives and doing ordinary things Their struggles and temptations were no different from ours But they allowed their ordinary lives to be interrupted by God who is anything but ordinary They chose to obey God when they did not necessarily see a happy ending And when they did what we see as a remarkable hero in the Bible is just an ordinary person reflecting the glory of God Our capabilities are far less influential than the choices we make and our choices become the stories of our lives We can continue to serve the pain of our past and be held captive by what we wish we could change or we can let our belief in the power of God overshadow the size of our enemy and the depth of our weakness God doesn't need heroes He wants you His power and glory are most evident in your weakness Your past is never too complicated or too far gone for God to redeem into something beautiful resurrection is His specialty

It's Not Too Late Tony Evans, 2016-02-01 Have you ever wished you could take back something you said Undo a poor choice you made Erase a painful memory Unfortunately you can't erase the mistakes in your past But God can do something even better He can use those fumbles to transform your life and lead you into the incredible destiny He has planned for you Bestselling author Tony Evans provides encouraging proof straight from the Bible Sarah was a doubter Jacob was a deceiver Moses was a murderer Rahab was a harlot Samson was a player Jonah was a rebel Esther was a diva Peter was an apostate and yet God turned each of their lives around in a big way In fact they're among the Bible's greatest heroes What might God do with your life imperfections and all It's not too late to find out and get back on track to experiencing God's very best for you

Successful Living God's Way Patricia E. Daye, 2011-02-04 Discover the model for how to live a successful life in God You may be intrigued as I was to learn that the Proverbs 31 woman is also a description of the bride of Christ the church Her characteristics and attributes apply to all Christians male and female as we ourselves are the church our bodies the temple of the Holy Spirit Though historically only applied to women the Holy Spirit gives insight into this role

as it applies to the entire church while she awaits the return of her bridegroom Our lives represent our investment of the gifts Christ left as evidence of his promised return Follow the model and wisely invest God created you for success *Being God's Man in the Search for Success* Stephen Arterburn,Kenny Luck,Todd Wendorff,2010-05-19 I ve worked hard to get where I am I ve overcome great obstacles I ve earned it No one had a greater right to say those statements more than King David He rose from the fields of Palestine to the palace of power and privilege He d made it But now that he was on top would he continue to grow spiritually in the midst of his success Self sufficiency is a temptation every man faces But we can be both self sufficient and on the move spiritually at the same time Just as in David s life God often allows us to experience the consequences of self sufficiency so that we can rediscover our need for his leadership and empowerment in our lives In the end the crushing blows we face serve to humble us and forge the basis for the next wave of spiritual momentum in our lives *Being God s Man in the Search for Success* will help you whether in individual or group study come to grips with the attitudes and actions you must own as you move forward to achieve God s goals for you in life **Quick Scripture**

Highly Unusual, Highly Favored Travis Gardner,2025-05-26 Have you ever wondered if God was real and the depth to which He desires to communicate with us in this day and age Maybe you already have answers to that but you question how certain Biblical principles practically apply to your professional or daily life Then again maybe your big question is How do I find God s will for my business or life In a world where faith is used more as a hashtag than it is truly embodied as a lifestyle Travis practically demonstrates and teaches how we should involve God in our professional and daily lives Travis also demonstrates and teaches what a true Kingdom Business should look like He unequivocally shows that God desires to tangibly encounter each and every one of us if we so choose to engage Him Travis not only intimately invites you into testimonies from his life and the formation of his business The Charge Apparel but he also invites you into his thought processes his emotions and his pitfalls as well as his triumphs As his experiences clearly show he radically lives out what he

believes and teaches Get ready to read some profound stories that are indeed true witness the undeniable power of God and receive Biblical revelation on how to live by faith **Bruchko And The Motilone Miracle** Bruce Olson,2013-10-22

Bruchko and the Motilone Miracle the powerful sequel to Bruce Olson s best selling missionary classic **Bruchko** is a remarkable tale of adventure tragedy faith and love It shows how despite incredible dangers and obstacles one humble man and a tribe of primitive violent Indians by joining together in simple obedience have been transformed forever by the sovereign will of god This book which details Olson s missionary work and events from the 1970s to the present will stir and encourage the hearts of readers to serve and follow God passionately *Unlikely Converts* Randy Newman,2019-07-30 Rely on the unstoppable power of the gospel not your own words Most Christians have people in their lives who they re sure will never come to faith Whether they re too committed to their sinful ways too angry at God or too quick to shut down any mention of the saving grace of Jesus these long shots don t seem worth approaching But some of the most unlikely converts have the strongest faith stories and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them Randy Newman knows firsthand the discomfort that comes with sharing the gospel He s been tongue tied and timid too But the truth is we don t need to sound like the brilliant charismatic legendary evangelists In this book Randy shares surprising conversion stories straight from those who took the long way around to Christianity He considers current cultural trends that make evangelism more difficult today Then with his characteristic upbeat style he offers practical ways and even exact wording to proclaim the gospel and includes a plan of action In the end *Unlikely Converts* encourages us to remember that while the Great Commission requires us to share the good news it does not require perfection only confidence in the message *A Noble Calling* David W. Whitlock,Gordon Dutile,2008-01-01 Too often individuals who have been called to practice their gifts and talents in the field of business and professional life sense that to serve God they ought to be doing something more directly involved with the church Many successful business leaders upon coming to faith in Christ or upon renewing their interest in God s Word struggle with whether or not they should enter vocational ministry Certainly God calls some from among the professions into such vocations but many simply haven t realized the full potential of where God has placed them God s people who are assigned to duties in corporate boardrooms or offices on sales forces in entrepreneurial ventures and as members of research and development teams are among his most effective servants Believers who are active in the marketplace are surely among God s most treasured ministers and have the potential to have a wider impact and larger influence than most who serve in full time vocational ministries Likewise these professionals have a capacity for great harm to the church and the cause of Christ if while they make claims of Christian belief their actions prove inconsistent with what God s Word teaches if their walk doesn t match their talk Be encouraged God wants to use you where you are He wants to sanctify all of what you have learned and experienced You have great potential in the kingdom **Living in The Story** Charlotte Vaughan Coyle,2021-08-26 What kind of book is the Bible Is it a

rulebook or a guidebook for moral living Is it a history book or a book filled with fascinating and sometimes fantastic stories Did humans write the Bible or did God somehow speak a perfect message that the authors transcribed Many people have asked these questions about the nature of this beautiful odd comforting disturbing book the church calls its Holy Scripture Charlotte Vaughan Coyle shares her own journey to make sense of the Bible in this read through the Bible in a year project She discovered that the crucial work of asking hard questions and even arguing with the Bible revealed the Scriptures to be a symphony of polyphonic voices a work of art that paints an alternative vision of reality a complex novel like story unavoidably embedded in its own culture and time and yet able to give witness to the God beyond history who has acted and continues to act within history With the heart of a pastor and the passion of a preacher Rev Coyle invites seekers and students both church and un church to strap on their scuba gear and join her for a deeper dive beneath the surface of this immense colorful mysterious world of the Bible
