Gospel Of Judas

Marvin W. Meyer

Gospel Of Judas :

The Gospel of Judas Rodolphe Kasser, Marvin W. Meyer, Gregor Wurst, 2008 A comprehensive commentary on the ancient document containing what some scholars believe to be a lost gospel told from the perspective of Judas Iscariot The Thirteenth Apostle: Revised Edition April D. DeConick, 2009-06-23 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas **Reading Judas** Elaine H. Pagels, Karen L. King, 2007 Evaluates the meaning of the controversial newly discovered Gospel of Judas illustrating how the text offers an understanding of Judas's betrayal the apostles understanding of Jesus's death and God's role in the crucifixion

The Gospel of Judas Simon Gathercole, 2007-11-02 Judas is synonymous with traitor But a newly discovered ancient text of the Gospel of Judas offers a picture of Judas Iscariot radically different from the Church's traditional understanding of him and maintains that far from being the infamous betrayer Judas was actually Jesus' trusted friend and the recipient of secret revelation Simon Gathercole's new book includes a translation of the ancient Egyptian text of the Gospel of Judas and a running commentary and offers new translations of all the ancient evidence about Judas Iscariot and the Gospel attributed to him It gets behind the hype which the Gospel of Judas has attracted and looks at why the group which produced the work were in such bitter conflict with the mainstream Christian church and shows how the document provides us with a window into the turbulent world of Christianity and Gnosticism in the century after Jesus The Gospel of Judas David Brakke, 2022-01-01 A new translation and commentary on the extracanonical Coptic text that describes Judas' special status among Jesus' disciples Since its publication in 2006 The Gospel of Judas has generated remarkable interest and debate among scholars and general readers alike In this Coptic text from the second century C E Jesus engages in a series of conversations with his disciples and with Judas explaining the origin of the cosmos and its rulers the existence of another holy race and the coming end of the current world order In this new translation and commentary David Brakke addresses the major interpretive questions that have emerged since the text's discovery exploring the ways that The Gospel of Judas sheds light on the origins and development of gnostic mythology debates over the Eucharist and communal authority and Christian appropriation of Jewish apocalyptic eschatology The translation reflects new analyses of the work's genre and structure and the commentary and notes provide thorough discussions of the text's grammar and numerous lacunae and ambiguities

The Secrets of Judas James M. Robinson, 2024-01-17 The story of the most enigmatic of disciples now fully revised and updated from America's leading expert on ancient religious texts from Egypt The Associated Press The discovery of a previously lost Gospel of Judas Iscariot has electrified the Christian community What Matthew Mark Luke and John tell us about Judas the disciple who betrayed Jesus is inconsistent and biased Therefore the revelation of an ancient gospel that portrays this despised man as someone who saw his role in the Passion of Christ as integral to a larger plan a divine plan brings new clarity to the old story If Judas had not betrayed Jesus Jesus would not have been handed over to the authorities

crucified buried and raised from the dead Could it be that without Judas the Easter miracle would never have happened In The Secrets of Judas James M Robinson an expert historian of early Christianity examines the Bible and other ancient texts and reveals what we can and cannot know about the life of the historical Judas his role in Jesus s crucifixion and whether the Christian church should reevaluate his intentions and possible innocence Robinson tells the sensational story of the discovery of a gospel attributed to Judas and shows how this affects Judas s newfound meaning for history and for the Christian faith The Secrets of Judas should be read alongside the National Geographic volumes for another perspective The New York Times

The Gospel of Judas Marvin W. Meyer, 2011-11-01 The Gospel of Judas On a Night with Judas Iscariot presents a fresh translation of the Gospel of Judas with introduction commentary and notes Originally published with considerable international fanfare in 2006 the Gospel of Judas has prompted a vibrant discussion among scholars and other interested readers about the meaning of the text and the place of Judas Iscariot in the story of Jesus and the history of the church Meyer a member of the original research team assembled by the National Geographic Society to edit translate and publish the Gospel of Judas and the remaining texts in what is now called Codex Tchacos here offers an up to date and thoroughly accessible translation of the Gospel of Judas expanded with new fragments of the text and informed by the latest scholarship He adds reminiscences of the work on the Coptic text when it first was coming to light in 2005 and 2006 This book also includes reflections on the extensive literature beyond the Gospel of Judas on the figure of Judas Iscariot with suggestions for a literary interpretation of Judas an interpretation that may have a dramatic impact upon our understanding of the role of Judas Iscariot in the story of Jesus s passion

The ^ALost Gospel of Judas Iscariot Bart D. Ehrman, 2006-10-09 The recent National Geographic special on the Gospel of Judas was a major media event introducing to tens of millions of viewers one of the most important biblical discoveries of modern times Now a leading historian of the early church Bart Ehrman offers the first comprehensive account of the newly discovered Gospel of Judas revealing what this legendary lost gospel contains and why it is so important for our understanding of Christianity Ehrman a featured commentator in the National Geographic special describes how he first saw the Gospel of Judas surprisingly in a small room above a pizza parlor in a Swiss town near Lake Geneva and he recounts the fascinating story of where and how this ancient papyrus document was discovered how it moved around among antiquities dealers in Egypt the United States and Switzerland and how it came to be restored and translated More important Ehrman gives the reader a complete and clear account of what the book teaches and he shows how it relates to other Gospel texts both those inside the New Testament and those outside of it most notably the Gnostic texts of early Christianity Finally he describes what we now can say about the historical Judas himself as well as his relationship with Jesus suggesting that one needs to read between the lines of the early Gospels to see exactly what Judas did and why he did it The Gospel of Judas presents an entirely new view of Jesus his disciples and the man who allegedly betrayed him It raises many questions and Bart Ehrman provides illuminating and authoritative answers in a book that will

interest anyone curious about the New Testament the life of Jesus and the history of Christianity after his death The Lost Gospel of Judas Stanley E. Porter, Gordon Heath, 2007-02-23 Porter and Heath consider recent textual finds and examine the discovery content and authenticity of the gospel They also delve into the relationship this new gospel has with the New Testament canon **Judas** Marvin W. Meyer, 2009-10-13 Judas Iscariot has been demonized as the quintessential traitor the disciple who betrayed his master for the infamous thirty pieces of silver But the recent sensational discovery and publication of the long lost Gospel of Judas with its remarkable portrayal of Judas Iscariot as the disciple closest to Jesus raises serious new questions Was Judas the only member of the Twelve who truly understood Jesus Did Jesus secretly collaborate with Judas to set in motion the series of events that would redeem all of humankind In search of answers Marvin Meyer one of the world s leading experts on the Gospel of Judas presents a collection of the earliest accounts of Judas which together paint a fuller portrait of this most enigmatic disciple This book presents the essential texts that deal with the figure of Judas including New Testament writings Gnostic documents and other early and later Christian literature These are the earliest known testimonies about Judas and include selections from the gospels of Mark Matthew Luke and John the Acts of the Apostles and relevant passages from Paul The centerpiece of the book is the Gospel of Judas followed by excerpts from three other Gnostic texts the Dialogue of the Savior the Concept of Our Great Power and the Round Dance of the Cross which may shed new light on the figure of Judas A series of additional writings on Judas produced over the centuries provide glimpses of the vilification of Judas and the emergence of anti Semitic themes Meyer offers evidence of traitors before Judas the Genesis story of Joseph s brothers who sold him into slavery the duplicitous friend of the poet in Psalm 41 and Melanthius the goatherd in Homer s Odyssey all of which raise the question of whether the story of Judas Iscariot could be simply a piece of religious fiction derived from earlier stories Judas provides a rich collection of original sources that tell the story of Christianity s most infamous figure offering the fullest understanding of Judas Iscariot s undeniable importance in the climax of Jesus s life
