

Name _____

Active Reading**Declines from Population Change in Asia**

Read the passage below and answer the questions that follow.

Over time, the population of populations change because of the way that individuals contribute to the next generation. Some people believe, however, that the way that populations change is not just a result of individual choices but also of the choices that the population as a whole makes. This is because the choices that the population as a whole makes are often influenced by the choices that the population as a whole makes. This is because the choices that the population as a whole makes are often influenced by the choices that the population as a whole makes.

Directions: Read the passage.

The passage below is the beginning of a passage about the choices that the population as a whole makes. The passage is written by a person who is a member of the population as a whole. The passage is written by a person who is a member of the population as a whole.

Which of the following is the best choice for the title of the passage that best reflects the passage?

- _____ (A) The average population of the world is increasing.
