

6. Which is the most logical explanation of the metaphor in lines 71 through 74?

- A. Flavius recognizes that, like a vulture who stalks the vulnerable, Caesar is waiting for the perfect opportunity to take what he wants.
- B. Flavius recognizes that the commoners have the power to elevate Caesar's status, and Flavius wants to minimize Caesar's power.
- C. Flavius recognizes that, although Caesar has big ambitions, Caesar caters to the commoners by "fly[ing] an ordinary pitch," or acting just like the commoners do.

7. Consider the author's intent. Why might Shakespeare have decided to overlap Caesar's return with the Lupercalia? (In other words, what does this reveal about Caesar?)

8. What factors contribute to the commoner's feelings toward Caesar?

9. Identify and explain an example of hyperbole in this scene.

10. What is the primary purpose of this scene?
