Chapter 1: Introduction to Physical Geography Michael Pidwirny, 2023-06-21 Chapter 1 Introduction to Physical
Geography of the eBook Understanding Physical Geography This eBook was written for students taking introductory Physical
Geography taught at a college or university For the chapters currently available on Google Play presentation slides
Powerpoint and Keynote format and multiple choice test banks are available for Professors using my eBook in the classroom
Please contact me via email at Michael Pidwirny ubc ca if you would like to have access to these resources The various
chapters of the Google Play version of Understanding Physical Geography are FREE for individual use in a non classroom
environment This has been done to support life long learning However the content of Understanding Physical Geography is
NOT FREE for use in college and university courses in countries that have a per capita GDP over 25 000 US dollars per year
where more than three chapters are being used in the teaching of a course More specifically for university and college
instructors using this work in such wealthier countries in a credit based course where a tuition fee is accessed students
should be instructed to purchase the paid version of this content on Google Play which is organized as one of six Parts
organized chapters One exception to this request is a situation where a student is experiencing financial hardship In this case
the student should use the individual chapters which are available from Google Play for free The cost of these Parts works
out to only 0 99 per chapter in USA dollars a very small fee for my work When the entire textbook 30 chapters is finished its
cost will be only 29 70 in USA dollars This is far less expensive than similar textbooks from major academic publishing
companies whose eBook are around 50 00 to 90 00 Further revenue generated from the sale of this academic textbook will
provide the carrot to entice me to continue working hard creating new and updated content Thanks in advance to instructors
and students who abide by these conditions IMPORTANT This Google Play version is best viewed with a computer using
Google Chrome Firefox or Apple Safari browsers
