Introduction to Physical Geography Michael Pidwirny,2023-06-21 Chapter 1 Introduction to Physical Geography of the eBook
Understanding Physical Geography This eBook was written for students taking introductory Physical Geography taught at a
college or university For the chapters currently available on Google Play presentation slides Powerpoint and Keynote format
and multiple choice test banks are available for Professors using my eBook in the classroom Please contact me via email at
Michael Pidwirny ubc ca if you would like to have access to these resources The various chapters of the Google Play version
of Understanding Physical Geography are FREE for individual use in a non classroom environment This has been done to
support life long learning However the content of Understanding Physical Geography is NOT FREE for use in college and
university courses in countries that have a per capita GDP over 25 000 US dollars per year where more than three chapters
are being used in the teaching of a course More specifically for university and college instructors using this work in such
wealthier countries in a credit based course where a tuition fee is accessed students should be instructed to purchase the
paid version of this content on Google Play which is organized as one of six Parts organized chapters One exception to this
request is a situation where a student is experiencing financial hardship In this case the student should use the individual
chapters which are available from Google Play for free The cost of these Parts works out to only 0 99 per chapter in USA
dollars a very small fee for my work When the entire textbook 30 chapters is finished its cost will be only 29 70 in USA
dollars This is far less expensive than similar textbooks from major academic publishing companies whose eBook are around
50 00 to 90 00 Further revenue generated from the sale of this academic textbook will provide the carrot to entice me to
continue working hard creating new and updated content Thanks in advance to instructors and students who abide by these
conditions IMPORTANT This Google Play version is best viewed with a computer using Google Chrome Firefox or Apple
