## **Jane Does Return English Edition:**

**A Return to the Common Reader** Adelene Buckland, 2017-03-02 In 1957 Richard Altick's groundbreaking work *The English Common Reader* transformed the study of book history. Putting readers at the centre of literary culture, Altick anticipated and helped produce fifty years of scholarly inquiry into the ways and means by which the Victorians read. Now *A Return to the Common Reader* asks what Altick's concept of the common reader actually means in the wake of a half century of research. Digging deep into unusual and eclectic archives and hitherto overlooked sources, its authors give new understanding to the masses of newly literate readers who picked up books in the Victorian period. They find readers in prisons, in the barracks, and around the world, and they remind us of the power of those forgotten readers to find forbidden texts, shape new markets, and drive the production of new reading material across a century. Inspired and informed by Altick's seminal work, *A Return to the Common Reader* is a cutting-edge collection which dramatically reconfigures our understanding of the ordinary Victorian readers whose efforts and choices changed our literary culture forever. **A**

**Hundred Years of The Secret Garden** Marion Gymnich, Imke Lichterfeld, 2012-11-20 Frances Hodgson Burnett published numerous works for an adult readership, but she is mainly remembered today for three novels written for children: *Little Lord Fauntleroy* (1886), *A Little Princess* (1905), and *The Secret Garden* (1911). This volume is dedicated to *The Secret Garden*. The articles address a wide range of issues, including the representation of the garden in Burnett's novel in the context of cultural history, the relationship between the concept of nature and female identity, the idea of therapeutic places, the notion of redemptive children in *The Secret Garden* and *Little Lord Fauntleroy*, the concept of male identity, constructions of Otherness, and the redefinition of Englishness. Film and anime versions of Burnett's classic. Noel Streatfeild's *The Painted Garden* as a rewriting of *The Secret Garden*.
