Journey to Peace Mary Riem, 2014-12-19 Author Mary Riem lived the American dream Her childhood in Seattle Washington was idyllic infused by a wholesome family and faith As she grew into a woman and an agnostic her ambition and passion led her to achieve success in many areas of her life Riem dreamed of adventurous travel and she realized her goal to experience the world on her terms She seemed to have it all But instead of great contentment Riem found herself deep in despair battling an eating disorder and drug addiction In Journey to Peace Riem shares her account of the dramatic ways that God revealed himself to her and she tells why as an adult she became a Christian after many years of agnosticism She narrates stories of her global travel including a life impacting experience working for Mother Teresa in India A memoir Journey to Peace tells how Riem transformed from one who constantly sought new experiences to satisfy her longings to a person of contentment and peace

Journey to Peace Adam Joe Lawton, 2020-11-28 The missile streaked across the wave tops at the speed of sound A single metallic sliver packed with high explosive and spouting smoke It shimmered against the dull blue of the South Atlantic swell its warhead primed its homing radar locked onto the British destroyer **Journey to Peace** Patricia Robinson, 2022-07-25 In my later years of life God has inspired me to try to encourage others on their journey of life who may be facing similar problems to lean on God who is ever present and will keep us in perfect peace in a world filled with strife and discontent God is aware of our every need in our journey to peace

Journey to Peace Peg Crompton, 2008-10 Journey to Peace introduces a twelve step program to assist individuals suffering from symptoms of anxiety panic and stress to embark on a journey towards a more peaceful existence The title serves as a creative acronym for the twelve steps contained within the book The steps include methods for living a full life in deferral of these symptoms This particular book offers a unique perspective It does not seek to define explain or educate readers on the facts figures or conventional treatments A common sense approach is used with the goal to empower readers to live a less anxious life by practicing techniques that serve to acknowledge and work through symptoms The tone of this book takes on a humorous tongue and cheek approach to sharing information It is written in clear concise language that is easy to follow and entertaining to read Readers are encouraged to engage in the twelve steps at their own pace and to follow the steps in a way that is most advantageous to them It is not written as a rigid prescription to follow In this way the book serves to induce a sense of relaxation by simply reading it If readers follow the suggestions and recommendations in this book they will complete their Journey to Peace and realize the ultimate goal of this writing living life on their own terms
