**Kade's Game** C. M. Owens, 2014 We never go after what we want without circling around it at least a hundred times Instead we play games try to work just the right angle even when it s not necessary You ve heard Raya s version and now it s Kade s turn He had everything mapped out His life was a series of strategy and games all of which he was mastering And then Raya Capperton invaded his life at a moment when he refused to be distracted The animosity between them boiled over at first but the second Kade started falling he fell hard But Kade has never been accused of doing things the easy way

*Kade's Game* C. M. Owens, 2015-05-14 There are two sides to every story Raya Capperton She s a stuck up study worm with a chip on her shoulder and now she s living in my house And she s supposed to control what I do All because four frat dicks ran over her house Yeah This is my father s sick sense of humor and he s punishing me for something I had no part in However I never expected Raya to intrigue me Sure I expected her to turn me on I mean hell she s been running around in her panties next door all semester How could I not get turned on But there s more to her than I realized and now I m inexplicably drawn to her and I hate it as much as I love it She doesn t fit into my plan In fact she makes me forget I have a plan at all because of how hard she knocks me off balance Life is a series of games and strategic maneuvers Love shouldn t be any different right
