Kick It Matt Brennan, 2020-01-10 The drum kit has provided the pulse of popular music from before the dawn of jazz up to the present day pop charts Kick It a provocative social history of the instrument looks closely at key innovators in the development of the drum kit inventors and manufacturers like the Ludwig and Zildjian dynasties jazz icons like Gene Krupa and Max Roach rock stars from Ringo Starr to Keith Moon and popular artists who haven't always got their dues as drummers such as Karen Carpenter and J Dilla Tackling the history of race relations global migration and the changing tension between high and low culture author Matt Brennan makes the case for the drum kit's role as one of the most transformative musical inventions of the modern era Kick It shows how the drum kit and drummers helped change modern music and society as a whole from the bottom up

The Revenge of Analog David Sax, 2016-11-08 One of Michiko Kakutani's New York Times top ten books of 2016 A funny thing happened on the way to the digital utopia We've begun to fall back in love with the very analog goods and ideas the tech gurus insisted that we no longer needed Businesses that once looked outdated from film photography to brick and mortar retail are now springing with new life Notebooks records and stationery have become cool again Behold the Revenge of Analog David Sax has uncovered story after story of entrepreneurs small business owners and even big corporations who've found a market selling not apps or virtual solutions but real tangible things As e-books are supposedly remaking reading independent bookstores have sprouted up across the country As music allegedly migrates to the cloud vinyl record sales have grown more than ten times over the past decade Even the offices of tech giants like Google and Facebook increasingly rely on pen and paper to drive their brightest ideas Sax's work reveals a deep truth about how humans shop interact and even think Blending psychology and observant wit with first rate reportage Sax shows the limited appeal of the purely digital life and the robust future of the real world outside it

Animal Satire Robert McKay, Susan McHugh, 2023-08-22 Animal Satire presents a cultural history of animal satire a critically neglected but persistent presence in the history of cultural production in which animals expose human folly while the strategies of satire expose the folly of human animal relations Highlighting the teeming animal presences across the history of satirical expression from Aristophanes to Twitter with chapters on key works of literature drama film and a plethora of satirical media Animal Satire reveals the rich rhetorical significance of animality in powering the politics of satire from ancient and medieval through modern and contemporary times More pressingly the book makes the case for the significance of satire for understanding the real world implications of rhetoric about animals in ongoing struggles for justice By gathering both critical and creative examples from representative media forms historical periods and continents this volume aims to enrich scholarship on the history of satire as well as empower creative practitioners with

ideas about its practical applications today **Last Waltz** Craig Harris,2025-07-10 Craig Harris dives deeply into The Band including the myths and confusions surrounding its members and provides a wide ranging account from their very beginnings with Ronnie Hawkins collaboration with Bob Dylan to the present A half century after The Band s original lineup Robbie Robertson Rick Danko Richard Manuel and Garth Hudson and Levon Helm played together for a final time at a star studded concert the Last Waltz on Thanksgiving 1976 The group s blend of folk blues country Dixieland and rock n roll is revered as a root of Americana music Harris interweaves original and previously unpublished interviews with the late Robertson Danko and Hawkins as well as producer sideman Aaron Professor Louie Hurwitz drummer Rick Ciarlante the Helm Band s Larry Campbell and his wife Teresa Williams and others Recordings concerts festivals film appearances Robertson s soundtracks for Martin Scorsese and others are assessed closely But this isn t just a story celebrating the group s countless hits successes and victories Despite their lasting influence The Band s journey was far from smooth Drug and alcohol abuse poor health bankruptcies and bitter conflicts over songwriting credits took their toll Craig Harris looks at it all

It's a Matter of Fact Angie Miller,2018-04-09 In this new book from Routledge and MiddleWeb author Angie Miller shows how you can turn your students into informed citizens by teaching them how to research effectively In today s information saturated world research skills have moved beyond fact finding into fact sifting fact sorting and fact assessing Miller shows you how to help students check sources take good notes make use of information and synthesize and present information across the subject areas She also shows how to make research a daily practice not a one time essay or project With examples and online handouts you can use immediately this practical book is a valuable resource for educators seeking to engage students in their work and encourage them toward higher level thinking **The Relentless Pursuit of Tone** Robert Fink,Melinda Latour,Zachary Wallmark,2018-09-18 The Relentless Pursuit of Tone Timbre in Popular Music assembles a broad spectrum of contemporary perspectives on how sound functions in an equally wide array of popular music Ranging from the twang of country banjos and the sheen of hip hop strings to the crunch of amplified guitars and the thump of subwoofers on the dance floor this volume bridges the gap between timbre our name for the purely acoustic characteristics of sound waves and tone an emergent musical construct that straddles the borderline between the perceptual and the political Essays engage with the entire history of popular music as recorded sound from the 1930s to the present day under four large categories Genre asks how sonic signatures define musical identities and publics Voice considers the most naturalized musical instrument the human voice as racial and gendered signifier as property or likeness and as raw material for algorithmic perfection through software Instrument tells stories of the way some iconic pop music machines guitars strings synthesizers got or lost their distinctive sounds Production then puts it all together asking structural questions about what happens in a recording studio what is produced sonic cartoons rockist authenticity empty space and what it all might mean **The Culpable Corporate Mind** Elise Bant,2023-04-20 This collection examines critically and with an eye to reform

conceptions and conditions of corporate blameworthiness in law It draws on legal moral regulatory and psychological theory as well as historical and comparative perspectives These insights are applied across the spheres of civil criminal and international law The collection also has a deliberate focus on the nuts and bolts of the law the legal equitable and statutory principles and rules that operate to establish corporate states of mind on which responsibility as a matter of daily legal practice commonly depends The collection therefore engages strongly with scholarly debates The book also speaks clearly and cogently to the judges regulators legislators law reform commissioners barristers and practitioners who administer and through their respective roles incrementally influence the development of the law at the coalface of legal practice Cited by the High Court of Australia in the judgment for *Productivity Partners Pty Ltd v Australian Competition and Consumer Commission* 2024 HCA 27

Time And a Word Martin Popoff, 2016-02-01 The Story Of Yes Largely In Their Own Words For his landmark 50th book top rock writer Martin Popoff abandons his metal musings to celebrate the long and legendary life of Yes a band he has loved since the 1970s Using a timeline format Popoff disentangles the convoluted tale of the band s hirings and firings their inspired creations live triumphs and studio victories as well as the occasional controversial failure With original interviews from Anderson Bruford Howe Wakeman the late Chris Squire and many others the tale unfolds via an exhaustive chronology designed to satisfy the most knowledgeable of Yes fans You just might learn what Close To The Edge actually means or why Alan White and Jon Anderson might be seen prowling the junkyard for car parts Not content with charting the band s history Popoff covers the major projects outside the Yes umbrella such as Asia GTR and Rick Wakeman s extravaganzas to paint a full picture If you ve been moved by classic albums like *Fragile* *Close To The Edge* *Relayer* *Going For The One* or more recent offerings like *Fly From Here* and *Heaven And Earth* you ll love this book which perfectly captures the spirit of progressive rock s first biggest and best band who have made it their mission to widen our perceptions of what music can be

Red Team Micah Zenko, 2015-11-03 Essential reading for business leaders and policymakers an in depth investigation of red teaming the practice of inhabiting the perspective of potential competitors to gain a strategic advantage Red teaming The concept is as old as the Devil s Advocate the eleventh century Vatican official charged with discrediting candidates for sainthood Today red teams are used widely in both the public and the private sector by those seeking to better understand the interests intentions and capabilities of institutional rivals In the right circumstances red teams can yield impressive results giving businesses an edge over their competition poking holes in vital intelligence estimates and troubleshooting dangerous military missions long before boots are on the ground But not all red teams are created equal indeed some cause more damage than they prevent Drawing on a fascinating range of case studies *Red Team* shows not only how to create and empower red teams but also what to do with the information they produce In this vivid deeply informed account national security expert Micah Zenko provides the definitive book on this important strategy full of vital insights for decision makers of all kinds

Intersecting Film, Music, and Queerness Jack Curtis

Dubowsky,2016-04-08 *Intersecting Film Music and Queerness* uses musicology and queer theory to uncover meaning and message in canonical American cinema This study considers how queer readings are reinforced or nuanced through analysis of musical score Taking a broad approach to queerness that questions heteronormative and homonormative patriarchal structures binary relationships gender assumptions and anxieties this book challenges existing interpretations of what is progressive and what is retrogressive in cinema Examined films include *Bride of Frankenstein* *Louisiana Story* *Rudolph the Red Nosed Reindeer* *Blazing Saddles* *Edward Scissorhands* *Brokeback Mountain* *Boys Don't Cry* *Transamerica* *Thelma Louise* *Go Fish* and *The Living End* with special attention given to films that subvert or complicate genre Music is analyzed with concern for composition intertextual references absolute musical structures song lyrics recording arrangement and performance issues This multidisciplinary work featuring groundbreaking research analysis and theory offers new close readings and a model for future scholarship

Words Onscreen Naomi S. Baron,2015-01-09 People have been reading on computer screens for several decades now predating popularization of personal computers and widespread use of the internet But it was the rise of eReaders and tablets that caused digital reading to explode In 2007 Amazon introduced its first Kindle Three years later Apple debuted the iPad Meanwhile as mobile phone technology improved and smartphones proliferated the phone became another vital reading platform In *Words Onscreen* Naomi Baron an expert on language and technology explores how technology is reshaping our understanding of what it means to read Digital reading is increasingly popular Reading onscreen has many virtues including convenience potential cost savings and the opportunity to bring free access to books and other written materials to people around the world Yet Baron argues the virtues of eReading are matched with drawbacks Users are easily distracted by other temptations on their devices multitasking is rampant and screens coax us to skim rather than read in depth What is more if the way we read is changing so is the way we write In response to changing reading habits many authors and publishers are producing shorter works and ones that don't require reflection or close reading In her tour through the new world of eReading Baron weights the value of reading physical print versus online text including the question of what long standing benefits of reading might be lost if we go overwhelmingly digital She also probes how the internet is shifting reading from being a solitary experience to a social one and the reasons why eReading has taken off in some countries especially the United States and United Kingdom but not others like France and Japan Reaching past the hype on both sides of the discussion Baron draws upon her own cross cultural studies to offer a clear eyed and balanced analysis of the ways technology is affecting the ways we read today and what the future might bring

Keyboard Magazine July 2014 True Introduction

In today's digital age, the availability of Keyboard Magazine July 2014 True books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Keyboard Magazine July 2014 True books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Keyboard Magazine July 2014 True books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Keyboard Magazine July 2014 True versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Keyboard Magazine July 2014 True books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Keyboard Magazine July 2014 True books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Keyboard Magazine July 2014 True books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Keyboard Magazine July 2014 True books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Keyboard Magazine July 2014 True books and manuals for download and embark on your journey of knowledge?
