cette intelligence cachée trop longtemps n'agit que C'est dans ce sens que Barack Obama a suggéré de faire appel à l'ange qui est en nous. Forte de cette conviction que le spirituel c'est la vie engagée avec d'autres, Isabelle Dillmann a souhaité rencontrer des personnalités et des responsables politiques français de toutes sensibilités dont dix-sept ont répondu ses questions. Passionnants, inattendus, surprenants, touchants, l'essentiel de leurs témoignages révèle des facettes inconnues de leur engagement et de leurs sentiments, mais aussi leurs convictions personnelles et leur rapport à la dimension sociale du fait religieux, la foi liturgique et au sens de l'existence. Cette réelle dimension intérieure trop souvent occultée par les médias et par les politiques eux-mêmes s'exprime très librement et nous permet de mieux comprendre les ressorts profonds de ceux qui nous gouvernent.

Louis Garriguet, 1916 *La Médiumnité sincère* Ghislaine De Carli, 2019-11-08T00:00:00Z Dans ses écrits La Médiumnité sincère Ghislaine de Carli livre ainsi son histoire, raconte son parcours, son envol vers la médiumnité, mettant en exergue les différentes pratiques qu'elle a exploitées de ses expériences médiumniques, personnelles, de ses consultations profondes par le biais de l'écriture automatique, aidée par la main de son Guide qui s'installait matériellement au pied de son lit. Il y a de nombreuses années Ghislaine consacre un chapitre sur l'une des animaux en laquelle elle croit tant et d'aventures médiumniques, quelques fois rocambolesques qu'elle vit avec eux. L'autodidacte est subtil, profond, parfois douloureux, mais peut être aussi humoristique, drôle, malin et Ghislaine le sait. **Nos morts** Louis Garriguet, 1919 L'année pastorale contenant des prédications familières pour servir aux curés...
