**The Storytime Handbook** Nina Schatzkamer Miller, 2014-01-23 Fresh fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools, and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement, and food. Options are provided for each storytime so the ideas can be used year after year. **Alligators Rule!** Pasquale De Marco, This book is a comprehensive guide to alligators, one of the most fascinating creatures on Earth. From their ancient origins to their modern-day habitats, this book covers everything you ever wanted to know about these amazing reptiles. You'll learn about the different types of alligators, their physical characteristics, and their unique adaptations. You'll also discover where alligators live, what they eat, and how they behave. But this book is more than just a collection of facts; it's also a celebration of alligators and their importance to the natural world. You'll learn about the vital role alligators play in their ecosystems and you'll discover the threats they face from habitat loss, pollution, and climate change. Most importantly, you'll learn what you can do to help alligators. From supporting conservation organizations to making changes in your own life, there are many ways you can make a difference. So whether you're a lifelong alligator enthusiast or you're just learning about these amazing creatures for the first time, this book is for you. In this book, you'll find detailed information on alligator biology, behavior, and ecology. Stunning photographs and illustrations of alligators in their natural habitat. Personal stories from scientists, conservationists, and alligator enthusiasts. Activities and experiments that you can do at home or in the classroom. Resources for learning more about alligators. This book is the perfect way to learn about alligators and their importance to the natural world.
