

Manual registration

Digital registration

Advantages

Low operational costs in terms of database adaptability

Further development of the system by the IT coordinator due to skills and experience

No triple registration – all data on scanners are updated on a daily basis

Registration procedures are less time consuming for volunteers

Ability to provide recipient organisations with delivery notes

Disadvantages

Triple registration (warehouse, donor, recipient)

Risk of misinterpretation of data

Time consuming procedure

High investments cost

Increased initial operational cost

Errors in registrations still occur
