And there s only one way to repay it They say your forties are the new twenties Maybe that would be true if my ex husband hadn t turned out to be a lying cheating stealing ass who left me with nothing except my pride And it s that pride that should keep me from accepting Phillip Conrad s sexy sinful and way too indecent proposal to pay off the debt I owe him I should walk away I should slap him Hell I should tell him exactly where he can shove his offer But I can t Because Phillip and I have unfinished business and it s long past time to see if that spark between us has the potential to become a full fledged inferno Besides if forty is the new twenty and a second chance is really on the table then maybe it s not too late for some excitement The sexier the better And if I m really lucky Maybe I ll get my happy ending after all Author s note A second chance with your billionaire first love romance that proves it s never too late for a happily ever after especially one complete with lots of long overdue spicy sex

**Finally Free** Elena Aitken, Go with the flow Have fun Stay true to yourself And above all else remember no relationships Ever From a very young age I saw firsthand how a relationship could change a woman and make her lose herself I vowed never to let it happen to me And for over forty years it hasn t That is until

my happily loved up friends get it in their head that I m missing out and dare me to really get to know a man and become friends with him No sex allowed One specifically Blaze Baron international heartthrob and massive movie star who recently moved to town and seems to have set his sights on me I m way too old for a dare Still I find myself agreeing Besides hooking up with a megastar so it can be splashed all over the gossipy tabloid sites for the whole world to see isn t really my vibe And shallow pretty boys really aren t my vibe I won t have any trouble keeping things PG rated and firmly in the friend zone Except as it turns out there s more to Blaze than his ridiculous good looks A lot more No one is more surprised than I am that the more I get to know him the more I really start to like him And don t even get me started with the crazy chemistry between us The man can make me feel things with only one look and it doesn t take long for this to become one promise I won t be able to keep There s a reason I ve lived my life on my own but what if everything I ever thought about love was wrong And if it is is it too late to admit it

Confederate Generals in the Western Theater, vol. 4 Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12 Like its predecessors the fourth and final volume of Confederate Generals in the Western Theater is an invaluable contribution to the historiography of a poorly understood theater of war presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals Its cutting edge scholarship offers further grounding for the editors contention that the South s bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with the Confederate generals than with their opponents Among the ten chapters this collection includes C David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky Roger Durham on Robert E Lee s leadership early in the war of the Department of South Carolina Georgia and East Florida Brian S Wills on Abraham Buford s behind the scenes contributions to Nathan Bedford Forrest s famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war s theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams as well as several volumes of Confederate Generals in the Western Theater and Confederate Generals in the Trans Mississippi
