

The background of the cover is a dark, deep blue or black. It features a complex pattern of glowing, curved lines that resemble magnetic field lines or streamlines. These lines are concentrated in the center-right area, where they appear to emanate from or converge towards a bright, glowing point. The lines are colored in shades of orange, yellow, and blue, with the brightest colors near the central source. The lines curve and swirl, creating a sense of dynamic movement and energy. In the upper left, there is a soft, out-of-focus light source, possibly a star or a distant galaxy, emitting a warm, golden glow. The overall composition is abstract and scientific, evoking themes of electromagnetism and physics.
