Ethics and Technology Herman T. Tavani, 2016-01-11 Ethics and Technology 5th Edition by Herman Tavani introduces students to issues and controversies that comprise the relatively new field of cyberethics. This text examines a wide range of cyberethics issues from specific issues of moral responsibility that directly affect computer and information technology IT professionals to broader social and ethical concerns that affect each of us in our day to day lives. The 5th edition shows how modern day controversies created by emerging technologies can be analyzed from the perspective of standard ethical concepts and theories.
