

You can review your insights data through the dashboard, or export it using the "Export" button in the top right corner.

If you decide to export it, a dialog box will allow you to specify:

- The data range for which you want to see data about your Page;
- Whether you would like to get the data as an Excel file or as a CSV (comma-separated values) file;
- The type of data you want to see: select "Page level data" for aggregated data about your Page, and "Post level data" for data on each of your Page posts.

The "Key Metrics" tab of the Excel file contains all the high level metrics across time. All other individual tabs show you a breakdown of these high level metrics. Please note that while the number of impressions that your Page or posts got is not available in the Page insights dashboard, it is available in the "Export" file.

Export Insights Data

Export data directly to Excel (xls) or comma-separated text format (csv). Choose either Page level data or Page post level data. You may select any date range, with a maximum of 1,000 posts at a time.
