Failing Our Fathers:

Failing Our Fathers Ronald B. Mincy, Monique Jethwani, Serena Klempin, 2014-12-01 Maligned as deadbeat dads or sexually and financially irresponsible inner city fathers and overlooked in discussions of poverty and family policy economically vulnerable nonresident fathers are a greatly misunderstood population *Failing Our Fathers* summarizes the most recent quantitative and qualitative research and undertakes new analyses to fill in important gaps to produce a comprehensive picture of who these fathers are what types of relationships they have with their families and children and the challenges they face meeting what their loved ones and taxpayers expect from them The great majority of these men see their children on a regular basis despite the financial legal and extra legal barriers they face Besides requiring fathers to support their children we must enable them to do so by supplementing their earnings and supporting their co parenting in ways that parallel how we require and enable vulnerable single mothers to support their children The book lays out specific reforms required to achieve this goal as well as tips for those resources for economically vulnerable nonresident fathers

Failing Our Fathers Ronald B. Mincy, Monique Jethwani, Serena Klempin, 2015 In *Failing our Fathers* Ron Mincy and his colleagues present a more comprehensive picture of how these men face significant obstacles and explore unintended effects of policies designed to secure financial support for their children the effectiveness of the few policies that have been designed to offer relief

Forgiving Our Fathers and Mothers Leslie Leyland Fields, Jill Hubbard, 2014-01-28 If our families are to flourish we will need to learn and practice ways of forgiving those who have had the greatest impact upon us our mothers and fathers Do you struggle with the deep pain of a broken relationship with a parent Leslie Leyland Fields and Dr Jill Hubbard invite you to walk with them as they explore the following questions What does the Bible say about forgiveness Why must we forgive at all How do we honor those who act dishonorably toward us especially when those people are as influential as our parents Can we ever break free from the sins of our fathers What does forgiveness look like in the lives of real parents and children Does forgiveness mean I have to let an estranged parent back into my life Is it possible to forgive a parent who has passed away Through the authors own compelling personal stories combined with a fresh look at the Scriptures *Forgiving Our Fathers and Mothers* illustrates and instructs in the practice of authentic forgiveness leading you away from hate and hurt toward healing hope and freedom A call to very hard but very vital work of the soul Dr Henry Cloud leadership expert psychologist and best selling author *Forgiving Our Fathers and Mothers* is essential reading for anyone who wants to deal with those hurts in a constructive healing and God honoring manner Jim Daly president Focus on the Family Leslie Leyland Fields and Jill Hubbard take us into raw messy stories so we can be transformed by that mysterious and painful grace in the force called forgiveness Scot McKnight Northern Seminary

Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction The Day of days, conducted by C. Bullock Charles Bullock, 1882 *An Oration* Edward Goldsborough Prescott, 1832 *Pandemic Prayers* Beth Felker Jones, 2021-02-08 This short book of devotional reflections and prayers from Wheaton College theologian Beth Felker Jones was written in March and April of 2020 in the face of the pandemic crisis These twenty five short readings share the love of God and the hope we have in Jesus Christ as we face a time of fear anxiety isolation and suffering The devotions include material from Psalms of Lament Julian of Norwich and reflection on the meaning of Christ's death and resurrection These reflections are a companion for anyone walking through suffering and crisis Lore of the School of Elijah William Gordon Braude, Israel James Kapstein, 1997 Tanna Debe Eliyyahu is a midrashic work thought to have been composed between the third and the tenth centuries Unlike all the other midrashim it does not consist of a compilation of individual homilies but is a unified work shaped with a character of its own This Midrash is distinguished by its didactic and moral aims The author deals with the divine precepts and the reasons for them and the importance and knowledge of Torah prayer and repentance He is especially concerned with the ethical and religious values that are enshrined in the lives of the patriarchs In the eye of many students and scholars it is unique a masterpiece of Jewish thought **It's a Setup** Timothy Black, Sky Keyes, 2021 The expectation for fathers to be more involved with parenting their children and pitching in at home are higher than ever yet broad social political and economic changes have made it more difficult for low income men to be fathers In *It's a Setup* Timothy Black and Sky Keyes ground a moving and intimate narrative in the political and economic circumstances that shape the lives of low income fathers Based on 138 life history interviews they expose the contradiction that while the norms and expectations of father involvement have changed rapidly within a generation labor force and state support for fathering on the margins has deteriorated Tracking these life histories they move us through the lived experiences of job precarity welfare cuts punitive child support courts public housing neglect and the criminalization of poverty to demonstrate that without transformative
