Fairies and Folk of Ireland William Henry Frost,2020-07-29 Reproduction of the original Fairies and Folk of Ireland by William Henry Frost **Fairies and Folk of Ireland** William Henry Frost,2014-03-27 The story which runs through and makes up the bulk of this book is my own The intention has been however to make it conform to the laws governing certain beings commonly regarded in this country as mythical as those laws are revealed in the folk lore of many peoples and particularly of the Irish people Almost every incident in which the fairies are concerned might occur and very many of them do actually occur in Irish folk lore But in a real folk tale there are usually only two or three or at any rate only a few of the characteristic incidents while this story attempts to combine many of them The shorter stories wherewith the main story is interspersed are all to the best of my information and belief genuine Irish folk tales I have told them in my own way of course I have sometimes condensed and sometimes elaborated them but I have seldom if ever I think materially changed their substance I have never had the opportunity to collect such stories as these for myself and if I had I should probably find that I had not the ability I have therefore had to turn for the substance of these tales to collections made by others men whose patient and affectionate care and labor have preserved a great mass of the beautiful Irish legends which without them might have died **Fairies and Folk of Ireland** William Henry Frost,2017-04-29 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About Fairies and Folk of Ireland by William Henry Frost Fairies and Folk of Ireland is a collection of Celtic folk tales written by William Henry Frost Witness how the Irish common folk regard their history their origin and also their relationship with nature a mysterious place full of fairies elves and evil creatures Written by the renowned William Henry Frost the tales in this delightful collection uniquely capture the rich heritage of the Celtic imagination Filled with legends of village ghosts fairies demons witches priests and saints these stories evoke both tender pathos and lighthearted mirth and embody what Frost describes as the very voice of the people the very pulse of life **Fairies and Folk of Ireland** William Henry Frost,1900 **Fairies and Folk of Ireland** William Henry Frost,2016-05-11 Notice This Book is published by Historical Books Limited www.publicdomain.org.uk as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain.org.uk Fairy Folk Tales of Ireland William Butler Yeats,1998-03-02 Includes tales of fairies changelings ghosts witches saints the devil giants kings queens and robbers
