George Carlin Book List:

Three Times Carlin George Carlin, 2011-05-17 A perfectly gift able perfectly cynical slipcased omnibus of George Carlin's trademark irreverence including bonus never before published material For four decades George Carlin has been one of America's favorite comics known as much for his willingness to take on taboo subjects as for his absurdist wordplay As an author he has proved equally popular With combined sales of more than two million copies Carlin's three books of razor sharp and hilarious observations have topped bestseller lists nationwide Now just in time for the holidays Hyperion proudly collects all three volumes When Will Jesus Bring the Pork Chops Napalm and Silly Putty and Brain Droppings into one hilarious omnibus a slipcased edition that also includes new material [The Booklist](#), 1918 [Lightning In a Bottle: A Book Series On the Most Important Rock Albums In Music History Album #17](#) Frank Zappa & the Mothers of Invention We're Only In It for the Money Charlie Freak, 2018-02-13 Book 17 in the series Frank Zappa the Mothers of Invention We're Only in for the Money Our reality has become dominated by Corporations that spread Lies Mediocrity while destroying excellence in music Frank Zappa created a MASTERPIECE that was the antithesis of what music has become today Zappa laid society bare with a wildly funny entertaining thought provoking subversive album that screamed TRUTH With Corporations in complete control of our governments the CIA unchecked by any authority other than its own the world that Frank Zappa wrote about on this album in 1968 could easily be mistaken for today This book examines what was at the very heart of Zappa's message on We're Only in it for the Money proceeds to tie it together with what is happening across the Earth today The same small group that was running the United States in 1968 that hijacked the rebellion of America's youth by replacing the Freaks with LSD laced Phoney Hippies out of San Francisco are STILL IN POWER TODAY [The Booklist](#), 1940 [A.L.A. Booklist](#), 1918 **Lightning In a Bottle: A Book Series On the Most Important Rock Albums In Music History Album # 42** Dan Fogelberg Phoenix Charlie Freak, 2018-02-02 Most Rock critics historians have somehow labelled Dan Fogelberg as a Soft Rock specialist a crafter of fine melodies Love Ballads However this is so far from the truth His music ROCKS defines him as one of the most brilliant songwriters guitarists producers in the history of Rock Roll Fogelberg's discography ranks amongst the very best ever assembled at the same level as say Steely Dan Joni Mitchell Stevie Wonder However with his albums Phoenix The Innocent Age Fogelberg created two absolute masterpieces that represent pure genius On the Phoenix album Fogelberg conceived an eternal song cycle crafted around the ancient Sanskrit word Samsara the true Cycle of Life Birth Life Death Re birth Thus the title track Phoenix became the physical representation of this eternal journey through our Life Cycle On the album Fogelberg wove these important lyrics to his brilliant music seamlessly as each was an extension of the other Every fan of his music will cherish this book **Lightning In a Bottle: A Book Series On the Most Important Rock Albums In Music History Album #16** Dire Straits Love Over Gold Charlie Freak, 2018-02-08 The Dire Strait's album Love Over Gold saw songwriter lead singer guitarist Mark Knopfler take full control over not only his band but the

finished product as well as he added the title of Producer to his credits The result The 16 Most Important Album of all time From beginning to end Knopfler created another masterpiece to follow up Dire Strait s previous gem Making Movies And while Knopfler continued his new style of massive soundscapes on Gold lyrically he directed his genius wit towards the controlling elements of society scathing the status quo over five unforgettable songs that represented perhaps the finest songwriting in the history of Rock music Knopfler took the listener on a moving journey across society s landscape pointing out how the masses were being controlled by whom At times the album was intense moving suspenseful painfully truthful hysterically funny caustic severe painstakingly tender honest it was unforgettable taught us the value of Love Over Gold

Lightning In a Bottle: A Book Series On the Most Important Rock Albums In Music History Album #83 the Guess Who Share the Land Charlie Freak,2018-02-11 For far too long the Guess Who have been written off especially in America as nothing more than a prolific singles band but it does not come near to telling the whole truth Two of their outstanding albums have found their way into this Book Series including American Woman this stunning achievement Share the Land Every single song is of the finest quality with many becoming Rock Classics The music ranges from straight ahead Rock Roll to the Blues Jazz R B and even Country plus the lyrics were written in the aftermath of the Massacre at Kent State University Here Burton Cummings was at his very best laying out most of the ways in which the Status Quo has us trapped into living our lives for the benefit of society and not ourselves all the while looking up towards God and wondering why This book digs deep into both the music lyrics and helps the reader to understand why this brilliant collection of songs is so very important for humanity especially today in this upside down world **Booklist** ,1920 **Magic Apples** Lee Steels,2014-08-29 MAGIC APPLES is a daily reader with 366 reflections to mull The topics are broad in scope with a liberal approach Drawn from the authors experience as a teacher parent coach musician and big kid the reflections are an eclectic mix of food for thought Every 6th day is a silly story intended to produce those healing endorphins we all need to keep our equilibrium There are plenty of opportunities to laugh cry and to agree or disagree If you need to escape from autopilot and enhance your life long learning skills MAGIC APPLES should give you lots to chew on If you desire a modern approach to traditional tales new ways to love your fellowtravelers and the chance to laugh at the human condition a magic apple each day will be to your delight
