

GEORGE WASHINGTON

George Washington was born on February 22nd, 1732, in Virginia. His parents were Augustine and Mary Washington. George grew up on a plantation in Virginia. He had seven brothers and sisters.

Young George's father taught him at home. He was a good student. When he was sixteen, he started to work as a *land surveyor*, a person who measures land. When he was in his twenties, he joined the army. He was a commander during the American Revolution.

After the Revolution, he was elected as the first President of the United States. As the first president, he was responsible for a lot of decisions about how presidents should act and what they should do.

George Washington is sometimes called the "Father of His Country." His birthday is celebrated in February. The Washington Monument was built to honor him, and his face is carved in Mount Rushmore. Washington, D.C. and Washington state are named after him. His picture is on the dollar bill and the quarter.
