The Psychology and Management of Project Teams François Chiocchio, E. Kevin Kelloway, Brian Hobbs, 2015 Even though project management researchers have become increasingly interested in factors that may have an impact on project management effectiveness their efforts fall short of addressing the human factor And unfortunately many project management scholars are largely unaware of the I O psychology literature relying for example on outdated models of motivation and team development

On the other side I O psychologists who research groups and teams often ignore the contextual influences such as business sector project type placement in the organizational hierarchy and project phase and maturity that have a crucial impact on how a project will unfold In this volume a cross disciplinary set of editors will bring together perspectives from leading I O psychology and project management scholars [The Gospel of Thomas and Plato](#) Ivan Miroshnikov,2018-06-12 In The Gospel of Thomas and Plato Ivan Miroshnikov offers the first systematic discussion of the Platonist impact on the Gospel of Thomas arguing that Platonism is indispensable to making sense of those sayings that have long remained exegetical cruxes
