**The Incarnate Christ and His Critics** Robert

M. Bowman Jr., J. Ed Komoszewski, 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive case for the deity of Christ **"Go Into All the World" A Study of the Great Commission Texts** Dr. Daniel L.

Butler, 2009-09-01 The Great Commission stands as the single most important aspect of New Testament mandates and without its realization Christianity would have died believers would have failed to pass Christian truths to others Obviously Jesus mandate to make disciples continues to impact the world and through this manuscript author Dr Daniel Butler has thoroughly examined the Great Commission texts Furthermore by considering the only history book of the church in the New Testament Acts the study examines the church s understanding implementation and fulfillment of Jesus commissioning words Although the Great Commission may appear flawed with discrepancy at first blush the student of this material will walk with the author through each of Jesus commissioned texts in detail compare their similarities contrast any differences and emerge with a consolidated grasp of Jesus mandate to make disciples By reconciling every potential discrepancy distilling the commission elements into a summary and examining the disciples response in the book of Acts the student of this study will experience enlightenment and understanding through grasping Jesus most important words and observing the early church s fulfillment **"Sermon on the Mount" Restoration** King Tetteh, 2024-08-28 The inspirational word of God

was received by Pastor King and faithfully delivered to the Faith House Church family The scripture guiding this divine message is 2 Corinthians 6:17-18 Wherefore come out from among them and be ye separate saith the Lord and touch not the unclean thing and I will receive you And will be a Father unto you and ye shall be my sons and daughters saith the Lord Almighty God is calling His children to stand apart to resist the ways of the world and even the trends of the modern day church Instead we are urged to follow the written and living Word of God Within the pages of this book Pastor King shares the messages he received from the Lord with his devoted congregation These messages were delivered during Sunday sermons throughout 2022 a year he declared The Year of Restoration I invite you to prayerfully read through this book and allow it to transform you into a new life in Jesus Christ Through His grace all things shall be restored by Adonai *The*

*Original Ending of Mark* Nicholas P. Lunn, 2014-10-01 Although traditionally accepted by the church down through the centuries the longer ending of Mark's Gospel 16:9-20 has been relegated by modern scholarship to the status of a later appendage. The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style. This work shows that these primary grounds of argumentation are inadequate. It is demonstrated that the church fathers knew the Markan ending from the very earliest days well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices and the continuation of various themes prominent within the body of the Gospel. Furthermore, the writings of Luke show that the Gospel of Mark known to this author contained the ending. Rather than being a later addition, the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission, probably in Egypt during the second century.
