*God Cares* C. Mervyn Maxwell, 1981-02-01      God Cares: The message of Daniel and revelation for you and your family  
C. Mervyn Maxwell, 1981      *God Cares* C. Mervyn Maxwell, 1985      **The Incredible Expanding Mountain of Hope**  
Joshua Herald, Even though this book is about Daniel 2 it's not really about Daniel 2 It's really about Jesus Come tag along on this exciting journey of re-discovery Even if you think you've long understood all details of the prophecy you may just discover a most important new insight and find yourself dumbfounded by precise prophetic fulfillments in Christian history that once sent chills up the author's spine You too may discover the fuller gospel meaning embedded within ancient cryptic symbols almost like a hidden picture Daniel 2 specifically unveils the very Foundation Stone of all later Bible prophecies and correctly understood it places the Lamb of God His unfathomable love for sinners and the heart conquest of His Kingdom of glory and of grace squarely back at the center of all Bible prophecy That Christ centering hidden picture is nothing short of a self portrait of Jesus and the prophesied growth of his New Testament kingdom of God message into all the world of his royal incarnate rule from its tiniest beginnings in Bethlehem to its mountainous NO END in eternity This book is really about a too often hidden message that Herald believes God always intended to shout out to our anxiety ridden world today as we now teeter on the brink of eternity It is the timeless and yet so timely message of HOPE Real hope A long growing hope as you will discover embodied in a Person that reaches all the way down to even the most apparently hopeless if she or he will only recognize it and take hold of JESUS In this magnificent book which at times seems like a spy thriller Joshua Herald methodically details insights into Scripture He does so with such clarity and precision that you will wonder how you could have missed coming to the same conclusion he did Ron Price MA author of Play Nice in Your Sandbox at Church Play Nice in Your Sandbox at Work and Play Nice in Your Sandbox at Home Hang onto your seats for this rollercoaster Joshua Herald pens a twisting turning ride to a better understanding of Daniel's beastly prophecies and the mysterious stone that strikes the colossal metallic image Chris Conrad PG professional geologist If you have found the insights in this book to be spiritually uplifting and helpful please share this title with a friend      **Vortex** Harold Reynolds, 2019-05-14 Through the main character of Itso the author of Vortex Death Is Swallowed Up in Victory Harold G Reynolds does indeed ask a most compelling question Will it indeed take a nuclear World War III and its aftermath to allow for the construction of a third Jewish temple and the thousand year millennium to begin      Two Beasts, Three Deadly Wounds, and Fourteen Popes Russell R. Standish, Colin D. Standish, 2001      *Kippur* Diego D. Sausa, 2006 The author demonstrates through the books of Leviticus Hebrews Daniel and Revelation that mankind is treading on the final pages of this world's history before the final cosmic mega cataclysmic change at Christ's coming      Who Was Muhammad? Doug Hardt, 2016-04-20 Whether we will admit it or not it happens all the time We often judge individuals families churches and other organizations based on a lack of information We hear something negative about a teenager in our child's class and assume that the parents are slacking off we get reprimanded by

the church greeter for our attire and assume that the whole church is unfriendly and cold we listen to the news about a greedy CEO and assume the whole company is out to rip us off Following this train of thought what do you think of when you hear the name Muhammad Do you think of a prophet of God sent to the Arabs or do you think of a leader who formed a blood thirsty religion Your perception will most likely be skewed by what you know about Muslims today But that begs the question What do you really know about Muhammad and Islam Are you willing to study and learn about his life and teachings Are you willing to reach across the divide and get to know the descendants of Abraham so that we can relate to them better Who Was Muhammad An Analysis of the Prophet of Islam in Light of the Bible and the Quran engages readers in a fascinating study of the life and times of Muhammad from a historical and prophetic standpoint Pastor Doug Hardt then launches readers into an in depth study of the Quran and Muhammad s teachings to see if they agree or disagree with the Word of God This book will deepen your understanding of the origin of the second largest religion in the world Armageddon at the Door Jon Paulien,2008 An examination of the collaboration between Egyptian and Indian nationalists against the British Empire this book argues that the basis for Third World or Non Aligned Movement was formed long before the Cold War It follows the connections between nationalist activists of both colonies through the first half of the twentieth century using personal memoirs intelligence reports journal articles records of conference proceedings and secondary literature It illuminates how Egyptian nationalists recognized a shared dilemma with Indian nationalists and cooperated with them to mobilize against imperialism worldwide **LifeLine Bible Study Guides** Kurt Johnson,1995-04 Designed for small groups or individuals who want to study the key doctrines of the Bible in an easy to use format covers 27 topics in two books Religious Liberty and the Fall of Babylon Marc Rasell,2012-07-10 Religious Liberty is a Biblical principle that man was created with a free will Satanic forces have worked down the ages to persecute those who are faithful to God s commandments God is calling people to come out of Babylon before it is too late a symbol of the corrupt churches that break God s law turn to civil power for support and persecute God s commandment keeping people **Not One Jot** Fortunat Tshimanga-Mukadi,2014-08-22 As a common person without any qualification in what people call theology as science and history it is a big challenge for me to discuss in public the very sensible religious matter of Ten Commandments My second challenge and not the least was my weakness in English language Indeed having French as first language I have hesitated to write in French or in English both languages spoken in Canada I opted for English for two reasons Torontonians would be my important readers and there are in large majority English speaking people among the French speaking Ontarians Therefore to reach the large audience I chose English Big challenge is not The other reason is that I attend an English speaking congregation for worship and this would be my first audience as my closest family Why do I write this book and why is it called Not One Jot I had a disorderly youth as I grew up with a widowed mom unable to correct me when needed thus finding myself where my God has brought me now I felt obligated to testify of His Love The only way to be thankful to Him is to preach His Gospel around me to

respond to His commission in Matthew 28 19 20 Therefore go and make disciples of all nations baptizing them in 1 the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything I have commanded you And surely I am with you always to the very end of the age Therefore living in selfish North American culture where we do not have time to listen quietly to your neighbor everyone closed in his corner or always too busy where even the married couples have not enough time for each other and as I do not have the means to have a TV or a radio station to preach and care for my neighbors colleagues friends family members relatives I decided to write this Testimony about the holy Ten Commandment Law of the Creator of the Universe specially the Fourth commandment of the Decalogue which shows clearly that we are not product of the hazard nor are we here by accident Grown up in a Catholic environment until my twenties I myself discovered this Truth as taught in the Holy Bible by reading a book which changed forever my life Here I have to be thankful to my elder brothers who had endured sacrifice to study and finish my degrees which helped me to read and write Without this that book which transformed my life could not have any meaning to me I am not writing this book to offend or belittle any Christian denomination especially those specifically cited in this Testimony Many of those church members love their Creator and would like sincerely to believe the Truth and serve their mighty Creator and infallible Lawgiver if they had opportunity to earnestly study His Word Thus time may come when they will open their heart to the eternal Light and follow the true Way to the eternal Life Neither have I written it to boast myself or to extol those Churches whose members keep the Sabbath as being the unique ready for heaven for Judas was one of the twelve beside the Messiah more than three years but we know he will not be found there Yes there are many books written in this matter however someone can be interested reading a book only by its title and also more importantly by its author The title Not One Jot emphasizes the idea found throughout the Word of God asking people not to obliterate any of the smallest letter of His Ten Commandment Law no matter how great they are how powerful they pretend to be how intelligent and wise they may be how high their instruction could be how big and rich their church seem to be For these ten statements are the only ones through all the Scriptures written by the mighty and holy Hand of the Creator Herein is discussed the origin the importance and the perpetuity of Gods Ten Commandment Law as the Moral Law of His eternal Government And as Lawgiver and Supreme Legislator He is the only One who *Jesus—The Portrait and Inscription of God* George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In *Jesus The Portrait and Inscription of God* the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 1 3 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a

single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation s high Christology Dr Kayle de Waal Avondale College Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 1 3 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike

**Revelations from Revelation** Patrick M. Jones, 2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you

The Rapture, the End-times and the Millennium Russell R. Standish, Colin D. Standish, 2004 Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ

**Armageddon's Glorious End** David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve

**The Red Horse** Connie Ordelleide-Anderson, 2014-05 Symbols are a part of our society But where words change biblical symbols remain the same In her study of symbols author Connie Anderson used a literal meaning of a word unless the word is a number or symbol Fish for instance is associated with the words of Jesus who invites us to be

fishers of men not real sharks crabs or clown fish Symbols anciently explained events in world history Indicating God is revealing his plan Anderson details the differences between how the Holy Spirit guided the world as the Berlin wall fell in Germany the Iron Curtain was raised in Russia and one man took on an armored tank on Tiananmen Square in China along with a vastly different outcome as Lucifer instigates bitterness and revenge on September 11 2001 Anderson unveils the scene in Heaven as the Heavenly courtroom is opened to view She hopes to provide prophecy as a comfort as Michael stands up to defend those whose names are in his book You are protected by your Bridegrooms friends on 200 000 000 white horses The Red Horse shares her faith in finding symbols that God cares and the devil destroys as she examines the laws of God and reaffirms Jesus has sent us many comforters     Showdown at Armageddon George E. Vandeman,1987     **The Day Evil Dies** Clifford Goldstein,1999 We are all foot soldiers in an invisible war Titanic forces rage about us How will it all end Clifford Goldstein explores some forgotten milestones of the past to help us understand the future Behind the scenes glimpses of the hand of God in history show that centuries of heresy fanaticism persecution apostasy and faith will soon culminate in an astonishing international crisis Bible prophecy reveals how religious politics will shape the future of America and curtail our freedoms leading to a terrible climax of evil before the final glorious triumph of love I Have Seen Beautiful Things From Jerusalem to Wittneberg Blood and Light In the Holy of Holies America in Prophecy The Origin and Promulgation of Evil Two Minute Warning Deliverance     Sabbath Challenge, Sabbath Delight David Bird,2003-06
