**God Makes Me Laugh** Joseph A. Grassi, 2009-03-23 God has made me Laugh and all who hear about it will laugh at me These are the words of Sarah after she bore a child to Abraham when both were in advanced old age Sarah named this child Isaac which means laughter Thus believers as descendants of Abraham and Isaac are children of laughter Luke takes the theme of joy and laughter through his whole gospel The angels at Jesus s birth announce good news of great joy to all the people Jesus presents his teaching in the form of grace and surprise which prompt joy and laughter on the part of the gospel audience Luke has before him the image of a laughing Jesus As a climactic story Jesus visits Jericho near the Dead Sea The chief tax collector for Rome Zaccheus a most unpopular man small in stature and character as well climbs a tree so he can see Jesus coming in spite of the crowds Jesus spots him with laughter and calls out to the dismay of the crowd Zaccheus hurry up and climb down I m going to have dinner at your house today Luke s gospel presents Jesus as a comic contrast to many ultra serious religious teachers by his concern for the outcast strangers and marginalized of society *Why Did God Make You?* Maurice C., 2024-04-25 The shift in moral standards across the world has changed dramatically in the last eighty years The shift has not been good for society and the influence of Satan has grown Once a God fearing and loving society we are now a God ignoring and self satisfying nation The Ten Commandments once considered vital are now treated as less than ten suggestions We have moved so far away from a God centered world that I suspect He will do something dramatic to regain our attention We have probably passed the point of no return in our relationship with our Creator Mary and many Saints have warned that we need to return to Him and I believe that only some divine intervention will bring us home to Him My children and grandchildren didn t have the religious education we had Most of them can t answer the question Why did God make you So I am asking you who had a solid religious education and belief to share that education with the young people I have taken on the job of praying my children and grandchildren into heaven If you agree please join me Ask the Father in Jesus s name to bring us home for eternity Live and share the reason God made you Tell the children what you learned to know Him to love Him and serve Him This is the purpose of our existence Share it with the ones we love deeply We live in His world No matter what man tries to do He is still and always will be in charge In my judgment the only power strong enough to coordinate all the confusion we ve seen in the world today is Satanic power Satan is constantly on the attack but we have the power on our side to overcome his influence In the end Jesus will triumph coming in glory His love and mercy is endless and will be shared by those who make an effort to do the will of the Father The sisters taught us about the sacraments Talk to your children and grandchildren about them Encourage them to go to confession and to attend mass and God will take care of them Don t be afraid He put us here and now for a reason and I believe the reason is for us to help each other to know love and serve Him Let s pray them into heaven with us It has been two years getting this book to print The changes in the world condition over that time has deteriorated significantly Knowing the reason of our existence has

become even more crucial than it was two years ago The Russians have invaded Ukraine and their action threatens world safety Mary warned us of this threat over one hundred years ago We are past time in listening to her words of warning This week in March 2022 the Ukrainian bishops are pleading with the Pope to consecrate Russia to Mary While we wait to see how the world situation unfolds we might renew our own consecration to Mary and to the Sacred Heart of Jesus The world is praying for peace I believe it is time to do more than to ask God for favors It is time past time to add actions to our prayers taking Tom s example by the practice of fasting and other forms of self sacrifice I need to stop asking and to start doing He doesn t need my sacrifice but He loves my surrender I witnessed a beautiful sign on the first Friday of March The morning mass usually has thirty five or so attendees On this last first Friday there were over 120 People are responding to Mary s call If you haven t joined her yet please do for your benefit your children s benefit and for the salvation of the world Thank you again

for the foolishness The first book would not exist if it hadn't been for the insistence of several people that all this should be in a book Most of the letters to the editor in this first section were written under the guise of the Greater Sycamore Valley Chamber of Commerce an entity that existed only in the minds of its readers Some of the letters were just personal reflections on the situation of the day Some of the letters may seem terribly redundant but I never was one to pass up an opportunity to tell the same joke twice The second and most important part of this book contains Sunday Guest Editorials which I have written for publication in the local newspaper These editorials deal with issues of a religious nature and were written in the hope that they would stimulate readers to contemplate their own relationship with the One who spoke and all things came into existence **I Won't Survive I'll Thrive!** Aurea McGarry, 2007-09 You can turn tragic into magic as my friend Aurea has and shows you how to also I love her brilliance and wisdom and so will you Mark Victor Hansen Co creator 1 New York Times best selling series Chicken Soup for the Soul r Co author Cracking the Millionaire Code and The One Minute Millionaire A dynamic book McGarry shares her experiences with the confidence of a wise teacher Readers who view alternative health books with suspicion will be inspired by her story Laura Axelrod The Birmingham News This book is a must read for those who believe anything is possible with God and equally important to the one who is ready to give up McGarry defines can do and outlines the way up from down in a way that few others are capable of Rarely does a guest come on my show and receive the positive feedback from the audience that she did Read this book and you'll understand why Doug A Kaufmann Best selling author and host of the television show Know The Cause *Joyful Journeying with God / Happy to Grow as God's Children Pt 2005 Ed.* , *Adventures in Prayer: The Magic of Discovery* Sharon A. **WHEN GOD CALLS** Wole Adeyi, 2012-12-12 Has God called you to ministry Though all Christians are called to serve the cause of Christ but each call is specific God calls people to serve uniquely It is a high honor to be called of God into the ministry The question is how do you know if God is calling you If you are a Christian you have probably heard a thousand times about doing God's will or listening for God's call Many of us are perfectly content to believe that obeying God's will means going to church every Sunday and putting a check in the offering box God's plan is bigger than that These days many Christians think of careers rather than callings The biblical challenge to most Christians is an extended call from the call to salvation to the call to the ministry The longer I am a Christian the more I realize that God does not need super stars He doesn't He simply needs ordinary people who will say Here I am use me Stop focusing on what you cannot do Let God decide what you cannot do You just be available If God only used perfect people who would get used God uses ordinary people who are ready to be used by Him When God calls you He is giving you the free will to say YES or NO but when we call to Him He has only two answers YES and NOT NOW The choice lies with the one being called Do you sense that God is calling you to ministry Do you burn with a compulsion to proclaim the Word share the Gospel and care for God's flock Has this call been confirmed and encouraged by those Christians who know you closely All these will be answered in this book **Arts Review**
