Silvanus Oluoch, 2010-07-30 Adjusting to God's High Calling is about God's desire intentions and interactions with the humans which He intended from time immemorial It is a call to the Divine realms of higher living in Christ Jesus It explains that within the Divine purpose God's desire is the flowing forth of His life into and through His people but which can be hindered It also points out that true Christianity is presently being inundated in the human traditions and philosophies within the religious sector turning it into many things it is not The book posits it is simply God's dynamically balanced life of grace in the Spirit lived in oneness with the reigning Lord True Christianity therefore Is not constant prideful protestations arguments and hatred among its various constituencies over their points of belief Is not intellectualism theological or otherwise though it is not against either Is not emotionalism based solely on people's experiences though it is not against emotional expression Is neither simply knowing nor subscribing to the right doctrines Is not all grace or love alone Adjusting to God's High Calling discusses these and other factors in the following phases The Divine Importance for the Call The Divine Intentions of the Call The Divine Interactions within the Call It will clarify God's purpose for your life moving you to do everything with love **Soul Obsession** Nicky Cruz, 2010-06-09 New from the author of the best selling Christian classic

Evil . . . Overcoming Degradation Through the Love and Brilliance of God Jerry Davis,2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us Weve all been programmed to unknowingly believe in a host of lies and its our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Whos controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life

Effective Spiritual Warfare Mary Lou Codman-Wilson,2022-11-08 How to Win Victory against the Enemy The world we live in comprises two different levels of reality the material world and the unseen spiritual world In that unseen world a great battle is being waged between the forces of God and the forces of evil ruled by Satan Spiritual warfare is happening all around us however many Christians do not realize that fact or know how to stand strong in the presence of evil and defeat these spiritual enemies in daily life Effective Spiritual Warfare describes the tactics evil forces use to keep Christians from fulfilling God s plans for them personally and globally Then the book concentrates primarily on eight ways to overcome Satan in our lives These principles are truly life transforming thoroughly biblical and consistently validated throughout Christian history Applying these principles in Jesus s name will offer readers new opportunities to participate in God s victories as well as God s ultimate Victory in Christ Believers who feel trapped and hopeless as they face sometimes unspeakable evil will find hope and be equipped through this book to triumph in effective spiritual warfare and incarnate God s reign on Earth The material in this Snapshot book was adapted and expanded from chapter 17 of Supracultural Gospel Bridging East and West Littleton CO William Carey Publishing 2022
