Gone Too Far:

Off the Endz Bola Agbaje,2010-02-11 A programme text edition of Bola Agbaje s new play for the Royal Court Off the Endz is a savvy astute play which portrays an under represented slice of society with skill and compassion Brexitland Maria Sobolewska,Robert Ford,2020-10-15 Long term social and demographic changes and the conflicts they create continue to transform British politics In this accessible and authoritative book Sobolewska and Ford show how deep the roots of this polarisation and volatility run drawing out decades of educational expansion and rising ethnic diversity as key drivers in the emergence of new divides within the British electorate over immigration identity and diversity They argue that choices made by political parties from the New Labour era onwards have mobilised these divisions into politics first through conflicts over immigration then through conflicts over the European Union culminating in the 2016 EU referendum Providing a comprehensive and far reaching view of a country in turmoil Brexitland explains how and why this happened for students researchers and anyone who wants to better understand the remarkable political times in which we live Consentability Nancy S. Sears,Jim Sidanius,Lawrence Bobo,2000-02-15 Are Americans less prejudiced now than they were thirty years ago or has racism simply gone underground Is racism something we learn as children or is it a result of certain social groups striving to maintain their privileged positions in society In Racialized Politics political scientists sociologists and psychologists explore the current debate surrounding the sources of racism in America Published here for the first time the essays represent three major approaches to the topic The social psychological approach maintains that prejudice socialized early in life feeds racial stereotypes while the social structural viewpoint argues that behavior is shaped by whites fear of losing their privileged status The third perspective looks to non racially inspired ideology including attitudes about the size and role of government as the reason for opposition to policies such as affirmative action Timely and important this collection provides a state of the field assessment of the current issues and findings on the role of racism in mass politics and public opinion Contributors are Lawrence Bobo Gretchen C Crosby Michael C Dawson Christopher Federico P J Henry John J Hetts Jennifer L Hochschild William G Howell Michael Hughes Donald R Kinder Rick Kosterman Tali Mendelberg Thomas F Pettigrew Howard Schuman David O Sears James Sidanius Pam Singh Paul M Sniderman Marylee C Taylor and Steven A Tuch **Ripper** Linda Rosencrance,Edward Lee Jr,2010-04-19 The Darkest Urge To his friends and neighbors Jeffrey Mailhot was an ordinary law
