Ike's Mystery Man Peter Shinkle, 2022-01-18 The Cold War. The Lavender Scare and the Untold Story of Eisenhower's First National Security Advisor. President Eisenhower's National Security Advisor Robert Bobby Cutler, working alongside Ike and also the Dulles brothers at the CIA and State Department, shaped US Cold War strategy in far more consequential ways than previously understood. A lifelong Republican, Cutler also served three Democratic presidents. A charming raconteur, he was a tight-lipped loyalist who worked behind the scenes to get things done. Cutler was in love with a man half his age, a naval intelligence officer and NSC staffer Skip Koons. Cutler poured his emotions into a six-volume diary and dozens of letters that have been hidden from history. Steve Benedict, who was White House security officer, Cutler's friend and Koons' friend and former lover, preserved Cutler's papers. All three men served Eisenhower at a time when anyone suspected of sexual perversion, i.e. homosexuality, was banned from federal employment and vulnerable to security sweeps by the FBI. This gripping account reveals in fascinating detail Cutler's intimate thoughts and feelings about US efforts to confront Soviet expansion and aggression while having to contend with the reality that tens of millions of people would die in a first nuclear strike and that a full nuclear exchange would likely lead to human extinction. And Shinkle recounts with sensitivity the daily challenges and personal dramas of a small but representative group of patriotic gay men who were forced to hide essential aspects of who they were in order to serve a president they admired and a country they loved. **Poetry by Me and My**

Family Ronald J. Yadusky, 2012-03-06 POETRY BY ME AND MY FAMILY About ART SCIENCE LOVE LIFE These poems are fun to read and you learn something new about art, science, love, and life. They come out of the love I have for my wife Margaret, our children, and our love for each other. They awaken something in your heart that is beyond knowledge and they spiritually refresh because the poems say tangibly what we all feel intangibly, to give finite form to the infinite. The will to create and the will to love are one. And so poems make love visible, which uplifts and heals because in the presence of love everything is healed. The mind seeks truth, the heart seeks love, and the spirit seeks goodness and God. This creative spirit of love therefore shows us the face of God. **Poem by Poem, Fable by Fable**
