Raised from the Dead According to Scripture Lidija Novakovic, 2014-05-29 The New Testament writings allow only limited access to the interpretative traditions that lie beneath the claim that Jesus resurrection took place according to Scripture This book investigates the underlying principles of scriptural arguments in relation to Jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts relating to it Novakovic s working hypothesis is that the Davidic tradition supplied the primary scriptural categories for the claim that Jesus was raised from the dead according to Scripture This tradition was appropriated through two major thematic trajectories resurrection as the fulfillment of Davidic promises and resurrection as the messianic enthronement We can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation resurrection as the prophetic authentication and resurrection as the messianic rebuilding of the temple Each thematic block

in the Writings of Paul Gerry Schoberg, 2014-02-27 The critical question of the relationship between Jesus and Paul has been well established in New Testament studies for over 150 years and it needs to be addressed with all the tools of historical criticism that scholarship has developed So states Gerry Schoberg at the beginning of this new and important work that does just that By coupling comparative instances in the gospels and the works attributed to Paul Schoberg invites the reader to enquire more profoundly than in past studies as to the nature of the relationship between Jesus and the most dramatic of Christian converts At the heart of this study is not only the question of whether the New Testament truly gives a unified vision of the Christian movement but also how the early followers of Jesus felt able to draw such insightful conclusions about him Answering such questions through the study of Jesus and Paul offer an insight as to how one is to make theological sense of the many details experienced from day to day and thereby live a life in Christ **Marriage as a Covenant** Gordon

Hugenberger, 2014-01-08 Marriage as a Covenant is part of the Biblical Studies Library which features North American paperback editions of original monographs of proven academic merit These works model sound exegesis and theology and make a significant contribution to biblical scholarship *Josua und Salomo* Christa Schäfer-Lichtenberger, 2014-09-03 Josua und Salomo puts forward the thesis that the literary figure of the successor was created by circles who strongly relied on the book of Deuteronomy In order to construct the ideal of a successor they used the characters of Joshua and Solomon and implemented the results of their theological reflection which were unleashed by the complete destruction of the pre exilic political social and religious organization of the nation The figure of Joshua combines all the traits of their theological conception of an ideal political leader whereas the figure of Solomon demonstrates the dangers which are implied in monarchical succession From the theological perspective of deuteronomism Solomon and Joshua are opposite characters The deuteronomic concepts of God and authority play a central role for the reflection on both characters Jesus the Seer Ben Witherington (III), 2014-10 Increasingly scholars recognize that prophetic traditions expressions and experiences stand at the

heart of most religions in the ancient Mediterranean world This is no less true for the world of Judaism and Jesus Ben Witherington III offers an extensive cross cultural survey of the broader expressions of prophecy in its ancient Mediterranean context beginning with Mari moving to biblical figures not often regarded as prophets Balaam Deborah Moses and Aaron and to the apocalyptic seer in postexilic prophecy showing that no single pattern describes all prophetic figures The consequence is that different aspects of Jesus activity touch upon prophetic predecessors his miracles on Elijah and Elisha his self understanding as the Son of Man on Daniel and 1 Enoch his warnings of woe and judgment on the writing prophets in Judean tradition and his messianic entry into Jerusalem on Zechariah 9 Witherington also surveys the phenomenon of apocalyptic prophecy in early Christianity including Paul Revelation the Didache Hermas and the Montanist movement Jesus the Seer is a worthy complement to Witherington's other volume on Jesus Jesus the Sage Fortress Press 2000 *The Great War* Ian F. W. Beckett, 2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of the conflict's strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States *SUCCESS ABOVE AVERAGE* Gabriel Anyanwu, 2014 There is great need for academic excellence today than ever before No honour award or accolade goes to the average person but all sorts of opportunities and awards overtake the excellent performer This book will reveal some secrets you need to achieve success above average You will learn How to set goals for success How to fight the fears that keep you failing How to turn your positive beliefs into reality How to use your freedom wisely by developing the habit of discipline How to build wise associations that multiplies your success How to stay highly motivated for academic success and How to cultivate the right attitude for success Parents and teachers will learn How to influence their children's success Why their previously intelligent children are now dummies and How to help them become successes again How to be their children's information distribution machine
