Management's Discussion and Analysis Best Practices Report Accounting and Accounting and Auditing Policy
Committee,2015-01-03 The MD A should provide management s view of actual current performance and financial results as
well as expectations about the future It should be grounded in facts and provide meaningful explanatory data rather than be
a series of vague and or generally positive statements or vignettes about the entity s successes The MD A should present a
balanced discussion of negative as well as positive results and it should relate financial results especially costs to
performance and both to strategic goals *Compendium of HHS Evaluations and Relevant Other Studies* HHS Policy
