*Latin Christianity II Book I* Philip Schaff, **COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology**, **The Manifestation of the Sons of God** James Manning, 2007-05 The Manifestation of the Sons of God the revealing of Genesis chapter one is one of the most important subjects in the entire Bible so important that the apostle Paul stated in the book of Romans that all creation waits for the manifestation of the sons of God This book can help readers come face to face with the great destiny like never before Social Issues **Speaking in Tongues: A Critical Historical Examination** Philip E. Blosser, Charles A. Sullivan, 2022-09-16 In three carefully researched volumes this groundbreaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome s use of Latin **The Cure for Common Christianity** Tommy Galloway, 2007-04 Jesus stated that with faith in Him we would accomplish greater things than He Jesus saved the lost healed the sick ministered to the multitudes and raised the dead Accordingly the modern church should be doing much more So what s the problem Why do we fall short of our Savior s standard Quite bluntly Christianity has caught a chronic case of apathy In *The Cure for Common Christianity* using a command of theology and a unique witty writing style Pastor Tommy Galloway outlines the formula to alleviate this Church crisis The problems are complex and the symptoms are multi faceted the cure is simple a full fledged return to the basics of Christianity The world is disillusioned by the corruption and complacency plaguing our houses of worship Christians cannot waste time A spiritually sick world is waiting for a healthy Church to offer hope They are waiting for *The Cure for Common Christianity* Pastor Tommy Galloway began his ministry at age sixteen Upon completion of high school in Calhoun City Mississippi he attended Jackson College of Ministries and received a degree in Theology He served as Youth Pastor in Longview Texas before beginning evangelistic work throughout the United States In 1984 he married Candace Greene They continued evangelistic work until 1988 when they were elected pastors of Powell s Grove Pentecostal Church in Jayess Mississippi After pastoring there for six years they moved to Tupelo Mississippi in 1994 to begin evangelistic work again In

1996 they founded Word of Life Church where they still serve as Senior Pastors Pastor Tommy's vision is Lead Locally Reach Regionally and Grow Globally Although pastoring the phenomenal people of Word of Life Church is his first calling he still ministers at evangelistic crusades throughout America and other countries Tommy and Candi have three children Landon Kristian and Alexis *The Nation*, 1889 **The Selected Works of Tertullian (Quintus Septimius Florens**

**Tertullianus)** Tertullian, 2020-09-28 WE are accustomed for the purpose of shortening argument to lay down the rule against heretics of the lateness of their date For in as far as by our rule priority is given to the truth which also foretold that there would be heresies in so far must all later opinions be prejudged as heresies being such as were by the more ancient rule of truth predicted as one day to happen Now the doctrine of Hermogenes has this taint of novelty He is in short a man living in the world at the present time by his very nature a heretic and turbulent withal who mistakes loquacity for eloquence and supposes impudence to be firmness and judges it to be the duty of a good conscience to speak ill of individuals Moreover he despises God's law in his painting maintaining repeated marriages alleges the law of God in defence of lust and yet despises it in respect of his art He falsities by a twofold process with his cauter and his pen He is a thorough adulterer both doctrinally and carnally since he is rank indeed with the contagion of your marriage hacks and has also failed in cleaving to the rule of faith as much as the apostle's own Hermogenes However never mind the man when it is his doctrine which I question He does not appear to acknowledge any other Christ as Lord though he holds Him in a different way but by this difference in his faith he really makes Him another being nay he takes from Him everything which is God since he will not have it that He made all things of nothing For turning away from Christians to the philosophers from the Church to the Academy and the Porch he learned there from the Stoics how to place Matter on the same level with the Lord just as if it too had existed ever both unborn and unmade having no beginning at all nor end out of which according to him the Lord afterwards created all things *Star Wars: Engaging the Heavens in End-Time Warfare* Oluwadare Adebajo (author), 2021-03-11 Our world is hurtling towards a momentous climax The opposing hordes of darkness are fighting for their very lives with all the bitterness and defiance they can muster because they realize that the close of the age is upon them As they draw upon their last reserves of strength the methods and measures of warfare that the Church has known are being stretched thus the Church must be equipped with the knowledge of the kind of warfare this season calls us to and what weapons we have been provided with by heaven to rout the enemy and his minions *Star Wars Engaging the Heavens in End time Warfare* is a word in season that unpacks the counsel of God for believers to arise in the glory and power of Christ's ordination and release the judgement written upon all the enemies of God The author through this book unveils deep mysteries that are set to cause a major shift redefine spiritual warfare and recalibrate the church into alignment with her destiny as was determined before the fall of creation The book goes into the heart of the Father to download from the original blueprint of creation that mankind deviated from when Adam fell from glory heights It stirs and redirects the heart of

the reader away from the activities of the old wineskin which are not rooted in the pursuit of kingdom purpose and destiny fulfilment to focused alignment with kingdom activities that fulfil destiny as originally intended by God **Believer'S**
