Litpop: Writing and Popular Music Rachel Carroll, Adam Hansen, 2016-05-13 Bringing together exciting new interdisciplinary work from emerging and established scholars in the UK and beyond Litpop addresses the question how has writing past and present been influenced by popular music and vice versa Contributions explore how various forms of writing have had a crucial role to play in making popular music what it is and how popular music informs literary writing in diverse ways The collection features musicologists literary critics experts in cultural studies and creative writers organised in three themed sections Making Litpop explores how hybrids of writing and popular music have been created by musicians and authors Thinking Litpop considers what critical or intellectual frameworks help us to understand these hybrid cultural forms Finally Consuming Litpop examines how writers deal with music s influence how musicians engage with literary texts and how audiences of music and writing understand their own role in making Litpop happen Discussing a range of genres and periods of writing and popular music this unique collection identifies theorizes and problematises connections between different forms of expression making a vital contribution to popular musicology and literary and cultural studies *The Singer-Songwriter Handbook* Justin Williams, Katherine Williams, 2017-02-23 The singer songwriter someone who writes and performs their own music is an ever present and increasingly complex figure in popular music worlds The Singer Songwriter Handbook provides a useful resource for student songwriters active musicians fans and scholars alike This handbook is divided into four main sections Songwriting acoustic and digital Performance Music Industry and Case Studies Section I focuses on the how to elements of popular song composition embracing a range of perspectives and methods in addition to chapters on the teaching of songwriting to students Section II deals with the nature of performance stagecraft open mic nights and a number of case studies that engage with performing in a range of contexts Section III is devoted to aspects of the music industry and the business of music including sales contract negotiations copyright social media and marketing Section IV provides specific examples of singer songwriter personae and global open mic scenes The Singer Songwriter Handbook is a much needed single resource for budding singer songwriters as well as songwriting pedagogues **The Story of ABBA** Jan Gradvall, 2025-06-17 Through exclusive interviews and over a decade of deep research renowned music journalist Jan Gradvall explores the secrets to ABBA s success There has never been a group like ABBA More than half a century after their songs were recorded ABBA still make people the world over dance and sing their hearts out In 2013 when the band had not been interviewed for over thirty years Jan Gradvall was granted unique access to them for the next decade and the result is The Story of ABBA Melancholy Undercover Agnetha F ltskog Bj rn Ulvaeus Benny Andersson and Anni Frid Lyngstad all share their personal stories their thoughts and their opinions about ABBA s music more openly than ever before Weaving in and out of their story well known international music critic Jan Gradvall reveals the context in which their unique sound developed and shows how the story of ABBA is also the story of Sweden and the globalization of pop culture From their

earliest hits in Sweden like People Need Love and Ring Ring to their chart topping international hits like Dancing Queen Gimme Gimme Gimme and Mama Mia to ABBA Voyage their first album in forty years and the two million ticket selling eponymous concert experience in London it is undeniable that in the history of pop culture and music there has never been a group like ABBA With remarkable intimacy Gradvall s sensational book brings readers closer than ever to one of the world s most notoriously private groups     The Thinking Teacher Oliver Quinlan,2014-01-09 Good Teachers do great teachers think Oliver Quinlan presents ideas from education business and other areas of life that teachers and educational leaders can use to enhance and explore their thinking In order to progress we must philosophise about learning question traditional practice and be resourceful in providing solutions for better education The only way the education system can improve standards and be at its best is by ensuring that those who govern it don t stop thinking about it Innovation is the key to our progress as individuals and society as a whole     Listen to This If You Love Great Music Robin Murray,2021-07-13 Listen To This If You Love Great Music is a must read for anyone with even a passing interest in music Featuring 100 of the best albums from the last four decades clashmusic com editor Robin Murray shares his passion for exceptional music and offers insightful takes on what elevates these records above the competition Robin steers clear of the usual classics The Beatles and The Clash for example and instead goes deep into his record collection to pull out the albums he considers the greatest ever For each a solid case is made for why it represents a watershed moment in music history outlining the story behind the record and critiquing what constitutes a classic Uniquely curated to offer a fresh perspective on the last 40 plus years of music find politically charged rock brushing shoulders with dub infused electronica progressive pop and dreamy shoegaze shaken awake by ear drum rattling grime and house music Whether it s bass heavy hip hop from Nas that inspired a thousand MCs to pick up a mic or experimental indie dance from LCD Soundsystem that blurred genres and tempted musicians to trade in their guitars for synthesizers this is an essential rundown of the albums that really matter You need to play them loud     Bill Brewster,2014-01-14 Drawing on in depth interviews with DJs critics musicians recording executives and others two music journalists traces the definitive role of the disc jockey as a primary factor in the evolution of popular music tracing the the dramatic influence of DJs on music over the past forty years and profiling some of the most important DJs in the business Original 30 000 first printing     *Music Preservation and Archiving Today* Norie Guthrie,Scott Carlson,2018-04-18 Here are the stories of how music archives are preserving independent music and saving a part of our cultural heritage Music Preservation and Archiving Today moves beyond the how to and assembles the work currently being done to preserve music and scenes via essays case studies and overviews of work by academic archives as well as communitydriven preservation projects     Resounding Truth Jeremy Begbie,2007-12 A world renowned scholar and musician helps Christians respond with theological discernment to music     F\*\*k The Radio, We've Got Apple Juice Miranda Ward,2013-03-05 What happens when getting played on Radio 1 isn t the goal anymore What if music is really just about music A few years ago Little Fish were

signed to a major label and recorded an album in LA They've toured with some big names last year Debbie Harry saw them supporting Courtney Love and asked them to join Blondie for a UK tour for instance and played all over the world But earlier this year they did the opposite of what the traditional rock n roll myth says you should do they came home again They left their label set up a recording studio in an Oxford bungalow and started doing the things that made them happy instead of the things they thought they should do to get played on Radio 1 They sent hand letter pressed cards to their fans held raffles in the middle of their gigs and played acoustic sets at local open mic nights Independence has raised a lot of questions for Little Fish Why do we make music What do people want from bands How do you create a community How can we make a living What is a living Joined by friend and writer Miranda Ward who quit her job to follow them on their adventure they plan to explore these questions even if they never find answers and to tell the stories about being in a band that you don't get to hear in NME F k the Radio is a book about Little Fish but it's also a book about making it work making your own way and making stuff music comics t-shirts fishy paper squares stickers badges vinyl stop motion animations even books And fresh apple juice It's about declaring your independence and rewriting the myths you live by

**Why Tammy Wynette Matters** Steacy Easton, 2023-05-23 How Tammy Wynette channeled the conflicts of her life into her music and performance With hits such as Stand By Your Man and Golden Ring Tammy Wynette was an icon of American domesticity and femininity But there were other sides to the first lady of country Steacy Easton places the complications of Wynette's music and her biography in sharp edged relief exploring how she made her sometimes tumultuous life into her work a transformation that was itself art Wynette created a persona of high femininity to match the themes she sang about fawning devotion redemption in heterosexual romance the heartbreak of loneliness Behind the scenes her life was marked by persistent class anxieties despite wealth and fame she kept her beautician's license Easton argues that the struggle to meet expectations of southernness womanhood and southern womanhood finds subtle expression in Wynette's performance of Apartment 9 and it's because of these vocal subtleties that it came to be called the saddest song ever written Wynette similarly took on elements of camp and political critique in her artistry demonstrating an underappreciated genius Why Tammy Wynette Matters reveals a musician who doubled back on herself her facade of earnestness cracked by a melodrama that weaponized femininity and upended feminist expectations while scoring twenty number one hits

**Radiohead's OK Computer** Dai Griffiths, 2004-08-11 Seemingly granted classic album status within days of its release in 1997 OK Computer transformed Radiohead from a highly promising rock act into The Most Important Band in the World a label the band has been burdened by and has fooled around with ever since Through close musical analysis of each song Dai Griffiths explores the themes and ideas that have made this album resonate so deeply with its audience and argues that OK Computer is one of the most successfully realized CD albums so far created

1989 Joshua Clover, 2009-11-06 In a tour de force of lyrical theory Joshua Clover boldly reimagines how we understand both pop music and its social context in a vibrant exploration of a year famously

described as the end of history Amid the historic overturnings of 1989 including the fall of the Berlin Wall pop music also experienced striking changes Vividly conjuring cultural sensations and events Clover tracks the emergence of seemingly disconnected phenomena from grunge to acid house to gangsta rap asking if perhaps pop had been biding its time until 1989 came along to make sense of its sensibility His analysis deftly moves among varied artists and genres including Public Enemy N W A Dr Dre De La Soul The KLF Nine Inch Nails Nirvana U2 Jesus Jones the Scorpions George Michael Madonna Roxette and others This elegantly written work deliberately mirroring history as dialectical and ongoing summons forth a new understanding of how history had come out to meet pop as something more than a fairytale or something less A truth a way of being

Doctor Who: The Time-Travelling Almanac Simon Guerrier,2024-10-03 The ground beneath our feet is spinning at a thousand miles an hour and the entire planet is hurtling round the Sun at 67 000 miles an hour and I can feel it The Doctor We re all travellers in time and space Right now you re riding a planet as it makes its latest circuit of the Sun For millennia humans have used this regular journey round and round to mark time and our place in the universe Doctor Who The Time Travelling Almanac is your essential companion on this trip we call a year It s packed full of useful tips information and fun stuff to guide and illuminate the voyage Month by month you can spot constellations identify shooting stars and mark daily Doctor Who debuts birthdays and anniversaries And there s so much more At which hour are Sea Devils most likely to attack What do the Daleks predict for your future When has the Doctor s timeline converged with the Beatles And how are July and August related to days being erased from existence more than once

**Coproduction** Robert Wilshire,Christopher Johnson,2022-05-30 Coproduction is dedicated specifically to the study of an emerging field in music production musicology It explores the limits of what this field might be from the workings of a few individuals producing music together in the studio to vast contributions of whole societies producing popular music Taking a wide ranging approach to examining the field Coproduction looks through multiple formats including essays interviews and case studies with analysis and commentary of coproduction experiences at Abbey Road studios It does so by examining multiple disciplines from social science and coproduction in mental health to philosophy and mathematics At its extremes which is the extreme middle and not the blunt cutting edge the authors attempt to produce every song in their development of an all encompassing pop music concept peculiarly called Toast theory In attempting to unite the pragmatic collaborative patterns of Vera John Steiner with philosophical postmodernist concepts of connection Coproduction has something to offer readers interested in the traditional workings of teams of producers as well as those seeking to understand the wider philosophy of collaboration in music production

**Hansard's Parliamentary Debates** Great Britain. Parliament,1880 *Creative License* Kembrew McLeod,Peter DiCola,2011-03-14 Draws on interviews with more than 100 musicians managers lawyers journalists and scholars to critique the music industrys approach to digital sampling

*Revolution Rock* Amy Britton,2011-11-17 The ages of Thatcherism and New Labour are two of the most significant of the twentieth century and more alike than they would care

to admit Out of these years of political turmoil have come many brilliant often politically dissenting British albums which have captured the landscape of the time This is the story of those albums      **The KLF** John Higgs,2024-07-09 In the early 90s the KLF was the biggest selling singles band in the world until they destroyed their records erased themselves from music history and literally set fire to one million pounds In this fascinating and in depth biography popular British writer and cultural historian John Higgs digs into the story behind the end of one of the most popular bands of the late twentieth century The band members themselves when asked in interviews were never able to satisfactorily explain their behavior but looked haunted every time it came up With his characteristically creative mind Higgs leads readers on a journey to understand a story that no one knows they are in least of all the main characters Ranging from music history to chaos theory to Carl Jung and Doctor Who this brilliant pop biography has been named one of the top ten music books of the year by The Guardian The Independent and MOJO magazine Perfect for music buffs and mystery fans alike The KLF is an engrossing and entertaining read      **Hang the DJ** Angus Cargill,2009-10-20 The literary equivalent of a great dive bar jukebox inspiring provocative irresistible and the perfect gift for all music lovers At the heart of all music fetishes there are lists ten essential female murder ballads ten unsettling songs for a midwestern white guy to wake to from a coma ten smutty Bob Dylan moments and of course the ever popular staple of all music lists and listeners ten best breakup songs Hang the DJ compiles what contributors might once have scribbled in the back of their textbooks or school folders when they like all of us at one point were absolutely sure that they alone were the sole guardians of Musical Truth that Sparks number two hit This Town Ain't Big Enough for the Both of Us really should have made it to the number one spot that Gary Numan was merely a misshapen progeny of Bowie's Thin White Duke persona that female singer songwriters are better than their male equivalents Mixing anecdote humor reference and sheer dorkiness but with the bizarre insight of an anthropological study in pop culture protocol Hang the DJ is a collection of lists about musical loves hates dreams and nightmares from music lovers such as Rick Moody Jonathan Lethem Simon Reynolds Ali Smith Amanda Petrusich and many other bloggers journalists novelists poets and musicians      **Global Convergence Cultures** Matthew Freeman,William Proctor,2018-05-03 Today's convergent media industries readily produce stories that span multiple media telling the tales of superheroes across comics film and television inviting audiences to participate in the popular universes across cinema novels the Web and more This transmedia phenomenon may be a common strategy in Hollywood's blockbuster fiction factory tied up with digital marketing and fictional world building but transmediality is so much more than global movie franchises Different cultures around the world are now making new and often far less commercial uses of transmediality applying this phenomenon to the needs and structures of a nation and re thinking it in the form of cultural political and heritage projects This book offers an exploration of these national and cultural systems of transmediality around the world showing how national cultures including politics people heritage traditions leisure and so on are informing transmediality in different countries The book spans four

continents and twelve countries looking across the UK Spain Portugal France Estonia USA Canada Colombia Brazil Japan  
India and Russia
